### Race Meet To Open On Sept. 15

—\$60,000 In Purses

Fresh from the most successful race meeting in history on the lower mainland, over 250 thoroughbreds are shipping in to Sandown Park at Sidney for a two week season starting Saturday, Sept. 15, at 2:30 p.m.

In addition to the Vancouver and Victoria horses, will be steeds from Calgary and the prairie circuit, from Washington and Oregon.

With daylight saving still in effect this year post times will be 3:30 weekdays and 2:30 on Saturdays.

Over \$60,000 in purses will be offered during the 14-day meeting.

There will be seven races daily with eight on Saturday with quinnella betting on two races each day.

Some of the better-known horses that will vie for honors Saturday are: Simonworth, Chalon, Steven C., La Mouche, Slipstitch, Freddie the Fox, Bob Feller, Fast Day, Bleecker Dutch, Mybestyou, Miss Humbug, Fays Hope, Lord Onslaught, Hindu Fleet, Sabrina, Celo, Icy Way, Porters Pebble, Yeckes and Silent Shoe.

Several leading riders will be there including Gerald Yeutter, Freddie Longo, Charlie Ulrich, Herbie Suarez, Jimmy Sivewright, Ronnie Williams, Jimmy Broomfield, Leo Guarasci, Bobby Summers, H. Nishi and Al Ventrella.

### BLOOD CLINIC ON OCT. 9

Red Cross unit will visit Sidney and conduct a blood donor clinic here on Tuesday, Oct. 9, it was announced this week.

Prior to the staging of the clinic, the public is invited to view a new Red Cross film on blood transfusions and Red Cross work in general on September 26 in Hotel Sidney. The film's local showing will be sponsored by the Sidney Rotary Club and will be presented following the club's regular meeting on that date.

### EXTRA THRILL

Passengers aboard the Lady Rose last Tuesday night on her trip up the Fraser River, were treated to an extra thrill, when a fire broke out at one of the camerias and the passengers had a front view of the conflagration.

## Call The Next Witness

### Story of Famous Trial Here

Chapter XXVIII  
**THE COVE ON SIDNEY ISLAND**  
Sowash gave a description of the cove as follows: "The topography of the island is such that the cove is an indentation surrounded entirely with high hills, that is, perhaps 150 feet or more high, crowned with pine timber, and it throws a shadow over the water and hides the water for about 100 yards out into the bay. Somewhere in this shadow the Beryl-G was.

"We rowed perhaps around a third of the cove, and we almost bumped into the boat."

"What boat did you bump into?" asked Mr. Harvey.

"I have since learned that it was the Beryl-G," replied Sowash. "I didn't know her name at that time."

He continued with his description of what happened on that night of September 15.

There were no more statements made or directions given by anybody. Baker got out of the boat with the aid of the rubbing stroke. I am not certain but I think he boarded from the stern of the boat.

The court interrupted to suggest that there was no need of all the details of the boarding.

(Continued on page thirteen).

### BRENTWOOD PLANT SHOULD PAY EDUCATIONAL TAXES

Educational taxes should be paid on the B.C. Electric plant at Brentwood to relieve Central Saanich property owners of a most unfair tax burden. This was the statement of Hugh Ramsay, Liberal candidate for Saanich in the September 19 election, at a meeting in Central Saanich on Tuesday evening of this week.

Mr. Ramsay reviewed the long history of the puzzling taxation situation surrounding the Brentwood power station. The taxes paid should be approximately \$8,000 per annum, he maintained. But the other property owners are obliged to carry this extra load on their shoulders. He promised to work in the legislature to correct this rank injustice.

The candidate assured his listeners that he would give immediate attention to the old seawall which permits flooding of Island View beach almost every winter.

### FARM TAXES

Mr. Ramsay showed an intimate

knowledge of the problems of farmers in Central Saanich, promising that he would work for a more equitable formula for allotting of the costs of education. He was convinced that farmers should not have to carry more than their share of this burden as they do today.

The candidate favored provincial help for construction of market roads to open up the growing municipality.

### HOSPITAL TRUSTEES ELECTED

Representatives for the Lady Minto hospital board were chosen on Monday by the people of Salt Spring Island. Six representatives were chosen, three of them by acclamation: Mrs. Warren Hastings, long-time chairman of the board, Mrs. Alec McManus, Mrs. Austin Wells, W. M. Mout, Sidney Quinton and H. C. Giegerich.

Saturna has not yet chosen its representative, but Mrs. A. E. Scoones has been elected at Galliano; Mrs. M. Wilson at Pender, and Benjamin Gardner at Mayne.

### They Are Coming Home

Mr. and Mrs. Charles Addison, of Curteis Point, who have been enjoying an extended holiday in Norfolk, England, are coming home. They plan to leave, with their children, for Canada in January.

In a cheery letter to The Review, Mr. Addison writes as follows:

"We will all be very glad to get back to our own home, England may be very dear to all our hearts but there's no place like home. The greatest regret will be taking the children out of the wonderful schools here. We are returning by boat right from London to Vancouver but there will be stopovers in the West Indies and other places along the way so it should not be monotonous. The trip takes about five weeks in all but Holland-America are very luxurious with everything laid on so we are looking forward to a wonderful winter cruise.

"I keep in touch through The Review and it makes me quite homesick at times. Do give my regards to the good folk thereabouts."

### SECOND TO NONE

The Salt Spring Island Creamery at Chongas, have now discontinued milk deliveries and will concentrate on the making of butter. Salt Spring Island butter has enjoyed the reputation of being second to none in the past.

Having had a trip home, to Norway last year, the Walthers decided to see a little of Canada's west coast, and came from Vancouver to Nanaimo. On their way home via Sidney they remarked that Vancouver Island reminded them very much of home in Norway.

### REMINDS THEM OF HOME

Distinguished visitors at Cedarwood bungalows this past week included Mr. and Mrs. Arne G. Walther and their two children from southern California, where Mr. Walther is the vice-consul from Norway.

Mr. Hall, who has just left the University of Illinois, is now head of the art course at the University of Southern California.

### BACK TO VICTORIA

Mrs. G. Geetz, who was visiting at her summer home in Port Washington, has returned to Vancouver.

### Patricia Bay Personalities

Last week The Review carried, under its heading "Patricia Bay Personalities", a feature story on two radio technicians, Al Miller and Bill Barker. Because of the late arrival of cuts, it was impossible to publish their pictures with the article. Above are shown the two energetic boat builders. The photos were taken by Bob Sparshatt of Sidney.

AL MILLER

BILL BARKER

### AUGUST WAS FINE MONTH

August weather was characterized by above normal precipitation, sunshine, evaporation and relative humidity and slightly below normal temperatures, according to the monthly meteorological report of the Experimental Farm, Saanich-ton.

The mean monthly temperature of 61 deg. was 3 deg. below the 43-year average. The mean maximum of 70 deg. and mean minimum of 52 deg. were 0.7 deg. and 0.8 deg. respectively below the corresponding long term average. The high temperature of 82.5 deg. was recorded on August 22nd and the low of 47 deg. was recorded on the 3rd.

Rainfall was considerably above average. Precipitation amounted to 1.68 inches as compared to the long term average of 0.82 inches. The heaviest rainfall occurred on August 1st when 1.16 inches fell. There were 6 days with rain.

### MORE SUNSHINE

There were 301.4 hours of bright sunshine compared to the 43-year average of 286.8 hours. The average daily sunshine was 9.7 hours.

The total evaporation from a free water surface was 4.24 inches compared to the 9-year average of 3.86 inches. The average daily evaporation was .137. The total latent evaporation as measured by the Black Bellani plate was 834.5 c.c.

The relative humidity was 76.7 per cent compared to the 11-year average of 74.9 per cent.

Weather conditions were ideal for harvesting both spring and fall cereals. Fall cereal yields are greatly reduced, due to the very severe winter, but spring cereals are above average. Second growth hay yields are normal or very slightly above normal for this area. Up-Island second growth hay yields are below normal due to the fact that they did not get as heavy rains as this area did.

### U.B.C. WORKSHOP ATTENDED BY LOCAL LADIES

U.B.C.'s Pottery workshop recently was attended by two local ladies who felt that they could learn even more of the art than they already know. Mrs. D. Swayne of The Pottery Wheel and Mrs. R. Jackson have returned from Vancouver where they thoroughly enjoyed a two-week course conducted by F. Carlton Ball, the well-known American potter.

Mr. Ball, who has just left the University of Illinois, is now head of the art course at the University of Southern California.

### LOCAL LASS TAKES TROPHY

A. C. Howo, secretary of the Saanich Agricultural Society, informed The Review on Monday that the Canadian Bank of Commerce trophy for the most points won by a girl or boy under 16, has this year been awarded to Barbara Erickson, with a total of 10 points.

Clara Taylor, winner of the trophy for the past two years, and Elaine Erickson, sister of the winner, were runners-up, tied with 13 points each.

### VESSEL DAMAGED AT MAYNE ISLAND

During a period of extreme tide conditions, M.V. Cy Peck sustained damage when attempting to land at Mayne Island wharf last week. The vessel was taken to Victoria for repairs and will be back on her regular Islands run without delay.

### INCREASE OF \$125,700 FOR BUILDING PERMITS

Building permits in North Saanich for the month of August, 1956, total \$144,550, with \$119,100 for dwellings and \$25,450 miscellaneous. This total does not include the \$200,000 permit issued for the addition to North Saanich High School. Last year's figures for August were 2 dwellings and 10 miscellaneous totalling only \$18,850.

### Cheque Was Received

A. M. Brown, of Ganges, Salt Spring Island, seems to have considerably better service from postal authorities than some other patrons have encountered of late. Mr. Brown received a letter addressed to him: "Alfred M. Brown c/o Engle's P.O., Salt St. Lewis Island, B.C." It was mailed in Toronto on August 27 and stamped by the Forwarding Division of Vancouver post office on the 29th, arriving in his mail the next day. Mr. Brown was very pleased to receive the enclosed cheque—he remarked that if it had been a bill instead it would have had the correct address. However, the postal authorities must have read this new address with a grain of salt.

### SOCIAL CREDIT BUTTONS PROMINENT AS GAGLIARDI AND TISDALLE SPEAK

There were no pronouncements of a local character to interest Sidney and North Saanich residents from either Hon. P. A. Gagliardi or John Tisdalle when they addressed a meeting of 67 Social Crediters at K. of P. Hall, Sidney, Tuesday afternoon.

Introduced by Commissioner M. E. Eaton in extravagant phrases, Mr. Gagliardi spoke of the achievements of the government during the past four years.

"We are anxious to do the very best we possibly can for the people we serve," he said.

Referring to the campaign put on by candidates from the other parties, he stated that they were stooping to deplorable means of discrediting the government. He said they have no platform to offer which the public could not see through.

He spoke of hospital insurance. "We found it in an appalling mess," he said, "however, I do not blame the Liberals. They just didn't know any better." As regards the charge of \$1 a day, the minister said, "Your wife can't feed you at home for that amount. It she's trying to, you aren't going to live long anyway."

On the subject of road construction he stated that his department had no "cost plus" contracts, contrary to opposition allegations.

### LONG-SERVICE MEDALS PRESENTED

Three local men were among the approximately 40 members of the Canadian Corps of Commissioners who received long service awards presented by Lieutenant-Governor Frank Ross at Government House on Saturday, Sept. 8.

Sergeant J. H. Pratt received a silver medal for 15 years' service; Commissioner H. C. Webb, a 10-year service medal; and T. Brain was awarded his five-year medal.

### A CANADIAN IN BRITAIN

#### Parking Rears Its Ugly Head

(By F. G. Richards)  
No waiting—no waiting this side—no waiting odd dates—no waiting 8 a.m. to 6 p.m.

I am almost a criminal, the victim of officialdom's horror of waiting vehicles. "Keep moving," says officialdom. "Don't let 'em stop!"

Parking, in the language of the authorities, is the eighth deadly sin. Murder is reprehensible. We all agree on that point. Over here it is not even erecked to bump off one's own wife. If a man does offend against this minor rule of conduct he is hauled before the courts. The prosecutor sadly outlines his offence. The daily press sadly relates his tale of woe, the Sunday press gleefully outlines the salacious aspects of the story. The judge sadly imposes the penalty and the Socialists weep at the pros-

### TEACHING STAFF ASSIGNED FOR SCHOOL DISTRICT NO. 63

School District 63 swings into the new fall term with a total of 82 teachers at the 15 schools.

The following is the teaching staff for 1956-57:

North Saanich Junior - Senior high school—D. E. Breckenridge, N. E. West, Miss M. M. Sinclair, Mrs. Irene Lee, D. W. Cobbett, Miss Nettie Jones, C. C. Inkster, R. C. Blodgett, A. W. Murphy, Miss T. Miller, T. G. Bunch, Miss M. McAllister, Mrs. H. Gilmour.

Royal Oak Junior - Senior high school—J. S. Clark, Mrs. P. Curtis, L. E. Booth, C. H. Benell, Miss M. G. Rice, Mrs. J. Gyllenspetz, P. Thomas, D. G. Nickerson, Miss D. H. Neill, D. H. Gilmour, M. F. Connor, L. A. Wilson, Miss H. L. Horel.

Mount Newton Junior - Senior high school—J. W. Lott, J. S. Forge, D. Sanford, L. St. J. Miller, E. F. Francis, Mrs. M. Hardy, Mrs. I. Gardner, Mrs. R. Phillips, K. A. Buffam, R. Anstey, Mrs. V. Wilkin-

son, Mrs. E. Kennard, Mrs. D. Craig.

Brentwood elementary — E. W. Hatch, Mrs. A. Forsberg, Mrs. M. E. Francis, Miss M. L. McIntyre, G. Rice.

Cordova Bay elementary — P. J. Willway, R. R. Webster, Miss C. F. Anderson, Mrs. A. M. Fraser, Miss W. M. Smith, Mrs. E. Tyson.

Deep Cove elementary—S. Mozol, Mrs. R. M. McLennan, Mrs. R. Rogers.

James Island elementary — E. R. Morton, Mrs. P. L. Davis.

Keating elementary — A. H. Ozero, Miss J. Bignore, Mrs. S. Chatwell.

McTavish Road elementary—Miss J. Chamberlin, Miss I. Allan.

Prospect Lake elementary — W. R. Donaldson, Mrs. A. N. Shaw.

Royal Oak elementary — H. J. Darks, Miss B. Pottinger, Mrs. I. Reid, A. J. Dickens, Miss J. Henderson.

Saanichton elementary — B. W. Gardner, Mrs. A. Covell.

Sansbury elementary — A. G. Fry, Miss M. Lane.

Sidney elementary — Mrs. B. M. Lassfolk, G. Milburn, D. McColl, Miss D. Williamson, Mrs. G. Soles, Mrs. D. MacConnachie, Mrs. G. Onahsey.

Townsend Drive area school — Miss A. E. Curtis, Miss D. Southwell, Miss L. Walker.

Librarian for high schools—Miss A. Coleman.

### Sidney Team Wins Cup and Championship

In a sudden-death final on Friday night, Roy Suddaby pitched the Sidney Hotel's Senior C men's softball team to a winning score of 6-2, capturing the Colonist Knockout Cup. The previous night with Suddaby pitching also, the team had taken the semi-final from Sooke with a 4-1 decision.

This final win of the 1956 season culminated a very successful year for the Sidney team who won the Lower Island softball championship; travelled to Alberni to take the Island championship; but then suffered a loss of two straight games in Vancouver which lost for them the B.C. championship.

## SIDNEY COMMISSION COMMENTS

(BY COMMISSIONER MRS. V. COWAN)

Hi, I'm back again, and thanks to Chairman Bradley for taking over while I had a holiday.

Something has been accomplished—for no matter what or how you feel about it, Mr. Bradley's comments on the Roberts Bay suggestion has caused enough of a stir locally that now maybe something constructive will be done. But don't get it wrong. Mr. Bradley is not advocating a small boat harbor at Roberts Bay in preference to a big breakwater and wharfage at Sidney.

For at least 20 years now, local interests have been trying to persuade the federal government that a breakwater and additional facilities were needed at the foot of Beacon Ave. No one has succeeded, and with the expense involved in such a project it could be another 20 years before the powers that be in Ottawa decide that Sidney is important enough to warrant any expenditure.

If such is the case, would it not be wise to at least have some additional floats for small boats at

Roberts Bay (which is almost in Sidney), than to have the federal authorities say, "Well, they don't want anything done at Roberts Bay; we don't want to do what they would like at Sidney, so we'll either do nothing or improve Swartz Bay, where no one there will object."

(From Swartz Bay traffic could, and doubtless would, by-pass Sidney completely.) Surely half a loaf is better than none.

However, on the other hand, there are those that feel that if we are agreeable to the suggestion of a small boat harbor at Roberts Bay, and if it is ever constructed, the government will feel that they have done their duty by this district and we will be written off forevermore. But governments can change their minds and/or their ministers. If I recall correctly, wasn't the Hon. Mr. Winters favorable to the idea of the big breakwater at Sidney when he visited here last year? If so, what or who changed his mind?

It is also being suggested that if

## Around Town

MRS. W. J. WAKEFIELD. PHONE 320X

Guests at the home of Mr. and Mrs. A. M. Davidson, All Bay Road, are the latter's sister, Miss Glenda Lewis, and George Pitman, both of Vancouver.

Bridge and refreshments were enjoyed Thursday afternoon at the home of Mrs. F. R. Cruickshank, Birch Road, when she entertained Mrs. J. C. Davis, Mrs. M. Clarke and Miss H. Horth, members of the bridge club.

Mrs. S. Taylor, Fourth St., is visiting her daughter and son-in-law in Vancouver.

Mr. and Mrs. A. Harper, Madrona Drive, accompanied Mr. and Mrs. C. Ashcroft, Mill Bay, on an enjoyable holiday up-Island.

Mr. and Mrs. Cox, Bazoan Ave., accompanied by their two children, Julie and Chris, enjoyed a camping trip up-Island last week.

Recent guests at the home of Mr. and Mrs. James Copithorne, Lands End Road, were the former's brother-in-law and sister, Mr. and Mrs. L. Nicoll of Jumping Pound, near Cochrane, Alta.; Mr. and Mrs. Hugh Robinson of Cochrane, Mr. and Mrs. Nicholl's son-in-law and daughter, Mr. and Mrs. D. Mitchell of Edmonton; also Mrs. Copithorne's nephews, R. J. Buckley of Lacombe, Alta., and Desmond Jones of West Vancouver.

Mr. and Mrs. R. Gordon of Winnipeg are expected this week-end as guests at the home of their son and daughter-in-law, Mr. and Mrs. Jack Gordon, East Saanich Road.

Mr. and Mrs. W. Bryant have taken up residence in the home of Mr. and Mrs. Milne, Lochside Drive, who are at present living in Port Alberni.

At the home of Mr. and Mrs. A. (Continued on Page Six)

## AFTERNOON W.A. MEETING

On Wednesday, Sept. 4, the Afternoon branch of St. Andrew's and Holy Trinity W.A. met at the home of Mrs. C. E. Jeffery, with 13 members present. In the absence of the president, the vice-president, Mrs. C. E. Jeffery was in the chair. Mrs. H. Payne opened the meeting with Bible reading, followed by the W.A. Litany, and prayers for the coming mission in Victoria.

Reports from the officers were received, and a letter was read from Mrs. Pyle together with a report of the Dorcas work. Mrs. Pyle will be away for some months and in the meantime, Mrs. E. John will take care of the Dorcas work. The June Bulletin was read, and the educational secretary gave an interesting talk on "The Challenge of the Arctic", the work among the Indians and Eskimos in the north.

Members were told of the coming mission in Victoria, to be conducted by the well-known English evangelist, Tom Rees, from September 23 to September 30.

Next meeting will be on Wednesday, Oct. 3, in the parish hall. The meeting closed with prayers, and tea was served by the hostesses, Mrs. Jeffery and Mrs. C. F. Orman.

## LOCAL YOUTH JOINS R.C.N.

George D. Braithwaite, recent graduate of North Saanich high school, has joined the Royal Canadian Navy and has been posted to the officer training school at H.M.C.S. Venture at Esquimalt.

## ON THEIR WAY

Well the swallows have gone back to Capistrano, or wherever it is they go in the winter, and left Sidney about September 6, and Monday morning flocks of geese were also seen on their way south. Early winter? Cold winter? or what, who can read the signs?

Per capita milk consumption is lower in large families than in small

## I.O.D.E. Plan For Beach Party And Dance

The regular monthly meeting of the H.M.S. Endeavour Chapter, I.O.D.E., was held in the Sidney elementary school, September 5, with 13 members present, and Regent Mrs. E. Gray presiding.

A beach party for members and their guests will be held at Mrs. Gray's home on September 22, and plans were discussed for a dance to be held on October 19. Mrs. T. Goner and Mrs. Gray will convene the dance.

There will be no work meeting in September.

all organizations and everyone from here to and including Victoria, got behind this and demanded that the breakwater be built and Sidney be expanded into the natural port that it should be, that it might easily become an issue in the federal campaign which, we are told, is to be next year.

This problem has never been discussed as such by the commission, at least since I have been on it, but I am quite certain that you will find that all five of us, Herb Bradley included, would back to the limit any move that would assure the definite possibility of getting the breakwater and its attendant facilities.

Sidney is the natural and sensible place for such construction. The visitors who come by boat are in the shopping area, which makes not only them but the business people happy; close by are the Customs, which make both tourists and Customs officers happy; Roberts Bay residents will be happier, for they like their bay as it is and want no further development. So, everyone would be happier, including the federal government who would have the satisfaction of knowing that the money expended in this project would be a sound investment which would return to Canadians from the lucrative tourist business, dividends ad infinitum.

## HOME FOR BREAKFAST

Mrs. George Smith of Sixth Street is a very happy lady these days, for her pet budgie is back. The bird, which "flew the coop" for several days, turned up on the window sill in time for breakfast. Mrs. Smith calling the bird by its name, was able to capture it and return it to its cage.

It is apparently unusual for lost budgies to return home of their own accord, so Mrs. Smith is not only happy but proud of her feathered pet.

## Farming is Big Business

The well managed farm today represents a substantial capital investment. This means a large estate and the payment of succession duties when the farmer dies.

But the government won't take stock or land for duties—they must have cash. Wise farmers buy Life Insurance for this purpose. It delivers the money immediately and preserves the income producing farm assets for your family.

# Less Tension Over Truck

## Threat of Legal Action Recedes

Somewhat less tension exists today in Central Saanich insofar as the circumstances surrounding a famous fire truck are concerned.

The threat of legal proceedings to settle once and for all the ownership of the vehicle has receded somewhat.

Ex-Reeve Sydney Pickles of Sunstead Farm, Mount Newton Cross Road, has received a communication from Central Saanich Council with regard to the fire truck. Mr. Pickles has replied to the council and then left on a holiday.

### THE LETTER

Mr. Pickles' letter to the council is as follows:

Replying to your letter of the 28th instant, regarding my fire truck which is on loan to your municipality.

In regard to your request No. 1, I am agreeable to the Central Saanich Municipality continuing to use my tank truck as a fire fighting unit until your present replacement proposals are able to be completed, subject to the following: It is to be clearly understood that the fire truck which has been recently purchased or is about to be purchased will constitute the replacement vehicle of my tank truck. In other words the next fire truck which is put into operation in your Fire Department shall be considered as part of this arrangement to be the replacement vehicle of my tank truck.

Also to avoid any misunderstandings in the future this arrangement is subject to your municipality supplying me, at this time, with a complete list of the equipment which has been purchased by the municipality and is now on my truck, which is to be removed. Also that I will be advised by letter of any further municipal equipment which may be attached to my truck in the future and therefore removable when the truck is returned to me. Further, this arrangement of extended loan is limited to expire in any case on the 30th of April, 1957.

unless otherwise arranged by me. This will provide ample time to complete your replacement vehicle.

In regard to your request No. 2: I will be in a better position to reach a decision regarding your suggested guarantee if you will officially provide me, both as a Central Saanich ratepayer and the owner of the truck in question with the following information:

(a) Is this tank truck included in the list of assets of the municipality or has it ever been so listed?

(b) Is there any municipal record of any municipal funds having been used for the purchase of this tank truck?

(c) Is there any municipal record of this tank truck having been at any time officially presented or officially donated to your municipality by any person or persons? If so please advise me of their names and when such official presentation was personally made?

(d) What are the precise grounds on which the present councillors assume that this truck is a municipal asset and therefore cause them to believe that they may become involved in a legal action for giving away a so-called municipal asset if they return this truck to me. I am assured that the municipality has no legal title to this vehicle.

My request for the foregoing information is in order to assess the degree of liability involved and the actual need for your proposed guarantee.

As I am desirous, in the interests of the Central Saanich ratepayers, that this matter be settled amicably if at all possible, I have not taken steps to institute legal process for the return of my truck. Further, to enable every possible avenue to be thoroughly explored to achieve an amicable settlement of this matter, I am prepared to continue these negotiations as long as there is a reasonable prospect that the matter will be so settled.

Pending the outcome of this

# CENTRAL SAANICH

## BRENTWOOD

Miss Paula Barsotti has returned to her home, Great Falls, Montana, after spending six weeks with Mr. and Mrs. H. Andrew and Lynda, Sluggitt Road. Paula and Lynda attended the Mary Rose Thacker summer skating school in Victoria. They have been attending the summer skating schools for the past few years and are very clever skaters.

The monthly meetings of the W.A. to the Brentwood United church will commence again on Friday, Sept. 21. The first meeting will be held at the home of Mrs. Geo. Moody on Friday afternoon at 2.15. All members are urged to attend as there is much to be discussed.

Friends and neighbors of Mrs. Herman Wood, Beach Drive, are sorry to hear of her illness and that she will be a patient at Rest Haven hospital for several weeks.

Mr. and Mrs. Harold Andrew and Lynda motored to Qualicum to spend the week-end. They were accompanied by Mr. and Mrs. G. Randall and daughter, Joan, of Victoria.

On Friday evening, several representatives from the Brentwood United church and the W.A. to the church met for a meeting at the home of Rev. and Mrs. H. E. Marshall, Siellys Cross Road. Rev. W. Buckingham presided and reports of the new church, which is nearly completed, were given. It is hoped that the church will be dedicated in October. All present were happy to meet the new minister and his wife, Rev. and Mrs. McMinn from Vancouver.

trovery, will you please advise me that my tank truck will remain as a complete combination of tank and chassis and that only municipally purchased equipment will be removed from it.

As I am leaving Vancouver Island for about two weeks, this will give you ample time to reply before my return.

Yours very truly,  
Sydney Pickles

## MISS S. FRASER IS LOVELY BRIDE

A lovely wedding, uniting Sheila Laurel Fraser of Royal Oak and Orville Keith Phillips, formerly of Keating, was solemnized Saturday evening at 8 o'clock at First United Church, Victoria.

The bride was lovely in a crinoline style gown of white satin and net. Her bouquet was of red roses.

Mrs. Mary Booth was matron of honor and Margaret La Bourne was bridesmaid. George Fraser, brother of the groom, officiated as best man. Ushers were Lloyd Henson, nephew of the groom, and Sid Taylor. The reception was held at the White Eagle hall.

Newcomers to the district are Mr. and Mrs. P. Hitchcox from Langford who have bought the property on the corner of Wallace Drive and West Saanich Road. Mr. and Mrs. Hitchcox have taken up permanent residence there with their five-year-old son, David, and baby daughter, Sharon.

## Saanich 4H Goat Club Is Congratulated

"Saanich 4-H Goat Club makes splendid showing and large improvement very evident," was the comment from Mrs. May L. Rose, American goat judge from Vancouver, Wash., at the Saanich Fair. Members had worked hard during the summer to have their does well groomed, true to type, and in excellent condition. J. D. Hazlett, district agriculturist from Duncan, assisted Mrs. Rose in judging and complimented the young people on their splendid showings.

In achievement class: 1, Rose Smart; 2, John Howe; 3, Farren Cooper. In goat judging: 1, Farren Cooper; 2, Jane Windsor; 3, Rose Smart. In showmanship: 1, Rose Smart; 2, Paul Howe; 3, Evonne Fisher and Jane Windsor (tie).

The May L. Rose Showmanship trophy, presented to the club for the first time, was won by Rose Smart. Mrs. Rose considered the new goat building a tremendous improvement over last year's open stall.

## KEATING

Mr. and Mrs. Lee Corbett of Picton, Ont., arrived Tuesday for a brief visit with the former's father, Victor Corbett of Saanich Cross Road.

Miss Jeanne Hefernan returned recently from a holiday spent at Duncan.

Mr. and Mrs. J. Marianex of Vegreville, Alta., were visitors at the home of Mrs. M. Ronnellin for a few days last week.

Many visitors admired the goats and the model goat barn completely equipped even to miniature animals constructed by Bruce Fisher under his father's guidance. Praise was given the wonderful work 4-H Clubs perform by encouraging good citizenship among rural youth.

## P.T.A. STARTS ANOTHER YEAR

Saanich P.T.A. begins another year's work on behalf of school, pupil and parent association. Their first meeting will be on Wednesday, Sept. 19, and it is hoped that many of the parents will turn out for this first meeting.

Persons who were compelled to drink milk in their childhood are frequently among the non-drinkers of milk.

## DISPOSES OF HIS HOME

Because of continued ill health, H. D. Patterson, well known retired resident of Brentwood, has been obliged to dispose of his property there and he and Mrs. Patterson have taken up residence at 1665 Fell St., Victoria. J. W. Chapman and family have purchased Mr. Patterson's former home on Stellys Cross Road and are now in residence there.

## AN ELECTION NEXT WEEK

AS The Review is going to press on Wednesday of next week, voters all over the Gulf Islands and the Saanich Peninsula will be going to the polls to elect members to represent them in British Columbia's next legislature. September 19 was the date selected by Premier W. A. C. Bennett for the vote and for the past few weeks the election wheels have been spinning at a record pace.

In both The Islands and Saanich constituencies, the electorate is fortunate indeed for the calibre of the various candidates is high. Four gentlemen have offered their services as representatives for The Islands and the same number in Saanich.

In The Islands three parties — C.C.F., Liberal and Social Credit—are represented while the fourth candidate is an independent who is seeking election for the third time. In his first bid in 1952 he carried the colors of Social Credit. In 1953 and again this year, he is running as an independent. Former member of the legislature for The Islands, Dr. Larry Giovando of Nanaimo, is not seeking re-election. A most popular figure all through his constituency, he worked hard to help the islanders and he was a frequent visitor to this marine area. Dr. Giovando signed the nomination papers of the Liberal candidate in the current race. The latter's life history, as outlined in last week's issue of The Review reads like a story book and attracted wide interest.

All that's certain about the election, insofar as The Islands are concerned, is that they will be represented by a new member when the legislature next sits.

In Saanich two former members of the legislative assembly are seeking re-election along with two new men. The two former members are the C.C.F. candidate who won the Saanich seat in 1952; and the Social Credit candidate who captured the seat in 1953. The slate is rounded out by two other able men, representing the Progressive Conservative and Liberal parties.

Here, again, selection of the winner is anyone's guess. But, regardless of the outcome, Saanich will receive sound representation for each of the candidates is a most able man.

Result of the balloting should be known comparatively soon after the polls close for voting this year will be by the simple "X" method. Every voter has one choice, and one only. In 1953 the complicated form of voting required many separate counts and the ultimate was not known for days.

## FEDERAL GOVERNMENT HELP

SPEAKING at a public meeting in Sidney last week, Dr. Frank Fairley, M.P. for Victoria, told his audience some of the things which the federal government is doing for Vancouver Island. The record, as presented by Dr. Fairley, was an impressive one.

The speaker pointed out that several years ago the good people of Victoria had requested that an airport be built closer to the British Columbia capital than Patricia Bay airport. Investigation had revealed that the proposal was not a feasible one. So, to pacify Victorians, Patricia Bay Highway had been constructed with the entire cost being paid by the federal government.

Dr. Fairley's audience was delighted to learn of the federal government's appreciation of the problems of Vancouver Islanders. Now the people of Sidney want a breakwater so that a small boat harbor can be created at the foot of Beacon Avenue, right beside the federal customs and immigration buildings.

We sincerely hope that Ottawa will prove sympathetic to the needs of the seaport of Sidney. News that the department of public works will start at once on construction of the breakwater here will be most welcome indeed.

## SUMMER WANES

SUMMER is waning in the Gulf Islands and on the Saanich Peninsula. But the weather man has been so kind to this district during the past couple of months that residents cannot complain even if the winter should prove a disagreeable one.

Monthly report of the meteorological bureau at the Dominion Experimental Farm in North Saanich, reproduced in this issue of The Review, is well worth while studying. It proves that August was perfect. Precipitation was higher than normal—and so was sunshine. That's a perfect combination for luxuriant growth of all garden crops.

Let us all hope that the weather man will continue in a good humor all fall. There is no reason why the fine weather should not stretch out to Christmas.

## ... Letters To The Editor ...

### FAIR PLAY

Editor, Review,

Sir:

I have no political leanings of any kind, but as one who is out for fair play I would like to say that I think the leaders who have been responsible for eliminating any kind of religious instruction from the B.C. public schools have proved themselves worthy guardians of the taxpayers' rights. The taxes are paid by citizens of various religious beliefs, and by some who have no religious beliefs whatever.

It has been argued by some that the reading of the Bible without comment would be quite in order, but if the teacher should merely read a chapter from the Old Testament for instance, a problem might arise. Which version should be chosen? Would it be the Protestant, the Catholic, or the Jewish version? Which ever was chosen, some would feel left out.

One can sympathize with the residents who are urging religious teaching, for there is certainly a pressing need, but the home, the

church, and the privately supported church school are the places for religious instruction to be given, not the tax-supported public school.

M. COCHRANE,  
Saanichton, B.C.,  
Sept. 7, 1956.

### A WORD OF THANKS

Editor, Review,

Sir:

Will you please thank Mrs. C. E. Ronson of Brentwood Bay for suggesting that we have a quarter of a million dollars to spend on our booklet "Four Years of Progress". Probably Mrs. Ronson was basing her costs of the booklet on what previous governments would have paid.

John D. Tisdalle,  
Saanich Social Credit M.P.,  
3580 Quadra Street,  
Victoria, B.C.  
September 6, 1956

### GRATEFUL

Editor, Review,

Sir:

I wonder if I could have the honor of occupying a small space of your wonderful paper. Although this incident happened a few weeks ago the feeling I have now, I had then and will always have, I would like to extend my heart-

## No Place Like Home, Says Sidney V.C. on His Return

"This is the best place of all," declared Col. Cyrus Peck, V.C., D.S.O., on his return recently from an extended trip beginning late in June with the V.C. Centenary Celebrations in London, England, and ending at his front gate on All Bay Road where huge banners proclaimed a welcome home for the Colonel and his lady.

Flying straight to London was the beginning of memorable week. Fabulous entertainments in an atmosphere as gay as a tea party; touching and impressive ceremonies in beautiful surroundings with all the pageantry of which London is capable; superb weather with sunshine and blue skies which turned cool and cloudy as if on a signal when the celebrations were over.

A printed itinerary of the celebrations, with times, directions, which clothes to wear, and when and where the buses would pick them up, was given each visitor, and like one big happy family the V.C.'s and their accompanying families went from one event to the next. Everywhere they were royally entertained and members of the Royal Family were much in evidence. One unusual tea for the V.C.'s was given in the Palace of Westminster with the Members of Parliament pouring tea and passing cakes and a delightful tea at Harewood, the home of Princess Mary, who is a personal friend of the Colonel.

## WELL-KNOWN SAIL, STEAM VETERAN PASSES ON IN HIS 81ST YEAR

Brentwood district has lost one of its familiar and well-known personalities with the passing of Capt. Norman P. Hocking, O.B.E., on Sunday at St. Joseph's hospital.

One of the few remaining shipmasters to hold deep-sea certificates for both sail and steam, Capt. Hocking, who died in his 81st year, had a long career. At only 15 he signed on as an apprentice boy with a windjammer and made several voyages to Africa and India from England where he was born. He followed the changeover from sail to steam and was master of various ships along the China coast.

### ROYAL ENGINEERS

Coming to Canada in 1912, he formed a launch service at Deep Cove with his brothers. Capt. Hocking joined the 88th Fusiliers at Victoria after the outbreak of the First World War and went overseas with them. In England he transferred to the Royal Engineers as an expert in marine movement of supplies, and was twice mentioned in despatches when stationed in Mesopotamia. At the end of the war he was retired as a major and returned to the sea as master of freighters in the Canadian Government Mercantile Marine until it was disbanded.

## ESTEEMED NATIVE SON SUCCUMBS

Esteemed native son of Salt Spring Island, Ernest Harrison died on Tuesday at Ganges in his 90th year. He was the descendant of former slaves who came to Salt Spring Island from the southern States.

Funeral services will be conducted from the Ganges United church on Saturday at 2 p.m. by Rev. Forster. Interment will follow in the Ganges cemetery.

## Jersey Cattle Trophy Won By H. Standen

A silver challenge cup and a miniature donated by the Royal Bank of Canada, was won by H. Standen, of "Harden Farm", Cowichan Station. This trophy was awarded to the exhibitor obtaining the most points in the purebred Jersey cattle section.

felt thanks to Bill Sampson, who, when fully clothed jumped into the water and gallantly saved my six-year-old daughter, Kathy, from drowning when she accidentally fell into deep water from a float at Ganges. Also many thanks to Ken Stevens who lifted her upon the float after Bill rescued her.

At such times the two small words of "Thank You", seem so insufficient to express just how one feels, but to these two wonderful men I shall indeed be ever grateful. Thank you sincerely.

MRS. PATRICIA HOWARD,  
R.R. 2, Ganges, B.C.  
Sept. 5, 1956.

### REPLIES TO MR. COURSER

Editor, Review,

Sir:

Mark Courser's letter wherein he deplores the dairy barn supervision and regulations, must be weighed in the light of why these regulations were adopted.

First the Clyn Commission recommended careful supervision and control of dairy premises for the protection of the consumer. It was to be a safe, clean supply of fluid milk.

Secondly the regulations that Mr. Courser finds too restrictive and undemocratic had as their basis a committee that included four dairymen and a chairman who is the assistant dean of agriculture from the University of British Columbia, himself also a milk shipper.

It would seem that his concern for the health of the consumer is less than that held by his fellow dairymen and by Chief Justice Clyn.

JOHN TISDALE,  
420 Tully Ave.,  
Victoria, B.C.

## DEEP COVE W.A. FALL MEETING

St. John's W.A. held its first meeting after summer vacation, Tuesday evening, President Mrs. R. McLennan presiding. Meeting opened with the singing of a hymn, "What a Friend We Have in Jesus", and repeating the W.A. prayer. Mrs. Watson Smith gave the devotional lesson and 16 members were present to answer roll call. Minutes of previous meeting were read by the secretary and a very satisfactory treasurer's report given.

The W.A. will purchase their own dishes and cutlery in the very near future. A motion was passed to send a cheque for \$200 towards the building fund. Plans were discussed for future work in the raising of money, quilt making, etc. Flowers for the church the month of September were arranged. Business meeting closed with Mizpah benediction. A pleasant social hour followed and hostesses were Mrs. W. Stewart and Mrs. Trousil.

### MENTIONED ANYWAY

An official of the local gas board was trying to get housewives to attend a course of cookery demonstrations, designed to promote the sale of a new cooker.

"Ever thought of taking up cookery lessons, madam?" he asked one. "No, but my husband has mentioned it four or five hundred times."

## Reflections From the Past

### 10 YEARS AGO

Mr. and Mrs. L. Farrell, Mr. and Mrs. F. Atkin and F. C. Mitchell left on Friday for a motor trip to California.

After a summer spent in fishing in Northern waters Mr. and Mrs. G. W. Georgeson have returned home.

A gleaming new 3-ton Maple Leaf truck has been added to the Sidney Freight Service, operating between Sidney and Victoria daily. Robert Shade is the driver.

Attendance records broken at Saanich fall exhibition—more than 6,000 crowd to west's oldest fall fair, Labor Day.

### 20 YEARS AGO

Col. C. W. Peck, V.C., D.S.O., of Vancouver is visiting here with his family, at Roberts Bay.

E. Wesley Cowell, Third St., has arrived home after spending several days in Vancouver.

W. W. Gardner, who has spent the past month in Saskatchewan, arrived home on Sunday in time to attend the marriage on Monday of his brother Arthur, to Miss Florence Nunn.

### 30 YEARS AGO

Mr. and Mrs. Bruce Burton and

baby accompanied by Mrs. Ward and Bert Ward, motored up the island over the weekend, having gone as far as Port Alberni.

Little Miss Marjorie Stacey left last week for Victoria, where she will be a resident pupil at Miss Carr's school.

## NOTICE OF POLL

FORM 12 (Section 60)

Province of British Columbia

In the SAANICH Electoral District.

To Wit:

PUBLIC NOTICE is hereby given to the voters of the electoral district aforesaid that a poll has become necessary at the Provincial election now pending for the same, and that I have granted such poll; and, further, that the persons duly nominated as candidates at the said election, and for whom only votes will be received, are:

Surname	Other Names	Address	Occupation	Party or Interest Represented
TISDALE	John Douglas	829 Tully Ave., Saanich	Salesman (Real Estate)	Social Credit
SNOWSELL	Frank	480 Margold Rd. Saanich	Teacher	C.C.F.
RAMSAY	Hugh Dyer	545 Transit Rd. Oak Bay	Assistant Manager Machinist	Liberal
HENDERSON	Hugh Larratt	4291 Gordon Head Road Saanich	Barrister and Solicitor	Progressive Conservative

(As in the Nomination-papers and as on the Ballot.)

Polling-places will be open on the 19th day of September, 1956, at the following places from eight o'clock in the forenoon until eight o'clock in the afternoon:

Polling Division	Address of Polling-place	Polling Division	Address of Polling-place

## ADVANCE POLL (IF AUTHORIZED)

(Section 114)

For the purpose of taking the votes of those registered voters who will be unable to attend a polling-booth on polling-day as set forth above, advance polls will be opened at

Y.M.C.A. Bldg., 1203 Blanshard St., Victoria

Advance polling-booths will be open from one o'clock in the afternoon until nine o'clock in the evening of Thursday, Friday, and Saturday, the 13th, 14th and 15th days of September, 1956.

Of which all persons are hereby required to take notice and to govern themselves accordingly.

Given under my hand at Royal Oak, this 6th day of September, 1956.

T. L. OLATKKE,  
Returning Officer.

Every person who destroys, mutilates, defaces, or removes any Proclamation of the Returning Officer posted up in pursuance of this Act, during the period for which it is required to be so posted up, shall be liable, on summary conviction, to a penalty not exceeding two hundred and fifty dollars.

## Meditation

He shall reign over the house of Jacob for ever, and of his kingdom there shall be no end.

## HOT GAME OF BINGO

No prizes, but an expense of possibly \$150 faced Mr. and Mrs. Harold Andrew, of Brentwood, after an enjoyable game of bingo recently. Returning to their car after the evening's entertainment in Sidney's K. of P. Hall, they found it full of smoke and the back seat in ruins. Fire Chief Gardner says it would appear that the fire had been caused by a cigarette which had fallen unnoticed into the upholstery.

### In and AROUND TOWN

Continued from Page 2.

W. Aylard, Wains Road, Hugh Henderson will be entertained Friday by friends of the Progressive Conservative party.

Mr. and Mrs. A. L. Mallory returned to their home on Lochside Drive after holidaying at Kamloops, B.C.

Mr. and Mrs. L. Lindskog, of Lochside Drive, have moved to Chemainus where Mr. Lindskog will be on construction work at Crofton. Mr. and Mrs. A. E. Cross return-

ed to their home on Lochside Drive after travelling up-Island as far as Sayward. Mr. Cross advises those contemplating a trip through this picturesque country to make reservations at the beautiful hotel beforehand as he and Mrs. Cross were unable to secure accommodations.

Mr. and Mrs. Al Chapman, of Winnipeg, were guests last week at the home of Mr. and Mrs. W. J. Wakefield, Third St.

At a christening service held at St. Paul's United church on August 30, the eight-month-old son of Mr. and Mrs. W. L. Rooke received the names Norman Lloyd Rooke. Rev. W. Buckingham officiated. Godparents were Miss Jean Keeble and

Fred Reed, both of Victoria. The christening took place on the second anniversary of Mr. and Mrs. Rooke's wedding and after the service, a small reception was held at their home on Admirals Road.

Mr. and Mrs. J. Glover of West Vancouver were guests last week at the home of their daughter and son-in-law, Mr. and Mrs. J. A. McDonald, Fifth St.

Mr. and Mrs. G. B. Sterne, Patricia Bay Highway, spent the Labor Day week-end at Abbotsford and Vancouver. While in Abbotsford they attended the motor rodeo at Abbotsford airport.

Flying Officer W. B. Sterne arrived Friday in a Mitchell bomber from Cold Lake, Alta., and stayed the week-end with his parents, on Patricia Bay Highway. Among those on the bomber as their guests were a former buddy of their son's on the C.F.-100, Flt. Lt. J. Sorellet, who piloted the Mitchell, and Flying Officer Gerry Smith, who was co-pilot. Flying Officer Sterne has been posted to Cold Lake and will be Observer Instructor Nav., A.T. Mrs. A. Cole is convalescing at the Sidney home of her daughter, Mrs. C. J. Douma, after spending two weeks at Rest Haven hospital with a broken leg.

Mrs. C. H. Clay, Mills Road, had as her week-end guests her brother-in-law and sister, Mr. and Mrs. B. G. La Marsh, of Honeymoon Bay.

Little Douglas Andrew of Vancouver had the misfortune of breaking his hip in a car accident. Douglas is known to many in Sidney where he resided for some time with his uncle and aunt, Mr. and Mrs. J. Pow, Beacon Ave.

Mr. and Mrs. W. Hanneson and daughter, Linda, of Winnipeg, are holiday visitors at the home of Mrs. Hanneson's parents, Mr. and Mrs. H. R. Lawson, McTavish Road.

Miss Alma Gorton, Vancouver, is a guest of her parents, Mr. and Mrs. N. Gorton, McTavish Road.

Mrs. M. Wientjes of Chilliwack (nee Sylvia Gorton) is recovering satisfactorily in hospital following major surgery.

Squadron Leader L. G. McAllister

## From Sheppy To Sidney

### New Chicken Farmers at Home Here

New owners of Glamorgan Farm on Patricia Bay Highway are the Beal family, genial Edward "Ted" Beal, his charming wife, Hilda, teen-age Cathie, and four-year-old Peter. Moving to the farm only one week ago, they already feel at home and "just love it". They have been in Canada only three and one-half years, coming directly to Victoria from the Isle of Sheppy in Kent, England.

#### THEN CAME THE FLOODS

A dairy farmer for some 20 years, Ted Beal had his own milk route and at the same time also ran a riding school with about 10 horses. "We worked hard in those days," he says, and "chicken farming is just chicken feed compared to it." Selling up the dairy farm, a sawmill and joinery was the next business, but then "came the floods."

The Isle of Sheppy is, for the most part, below sea level, and the marshy areas that surround the town are the location of many homes. During the winter of 1953 when the big floods hit England and the low

who arrived on the Mitchell bomber Friday evening, stayed with his parents, Mr. and Mrs. J. E. McAllister, Fifth St., over the week-end.

Gail Smith, Weiler Road, has left for Cowichan, where she is on the teaching staff.

Mr. and Mrs. S. S. Pugh returned to their home on East Saanich Road after enjoying a week-end up-Island.

Mr. and Mrs. W. Hughes, of Cedarwood Motel, will take up residence in the home formerly owned by Mr. and Mrs. H. Bewley, Lochside Drive. Mr. and Mrs. Bewley are now residing in Victoria.

Ethel Jahn, youngest daughter of Mr. and Mrs. T. H. Jahn, Patricia Bay Highway, is among those entering the nurses' training school at Royal Jubilee hospital. Her sister, Audrey, was in the August graduating class.

Mr. and Mrs. Wm. Slater and two children, Judy and Vicki, of Parksville, were recent guests at the home of Mr. Slater's parents, Mr. and Mrs. G. H. Slater, Shoreacres Road.

Harvey Lutz, Shoreacres Road, was accompanied on a pleasure cruise last week by Jonathan Slater, Shoreacres Road.

Mr. and Mrs. E. Leoss and daughter, Elizabeth Ann, of Vancouver, Wash., were guests last week at the home of the latter's parents, Mr. and Mrs. A. B. Smith, Weiler Road.

Laurel Pugh, daughter of Mr. and Mrs. S. S. Pugh, East Saanich Road, left for Telkwa in northern British Columbia where she is on the teaching staff.

Mr. and Mrs. F. G. Bray of Rossland, B.C., are expected guests Saturday at the home of their son-in-law and daughter, Mr. and Mrs. M. A. Dolan, West Saanich Road.

Recent guests at the home of Mrs. S. Duncan and daughter, Miss M. McGraw, Rothcove Ave., were the former's son and daughter-in-law, Mr. and Mrs. Alex McGraw, accompanied by their three children, Myrtle, Madeline, Lex, and a friend Stephany Austerhaus all of Santa Barbara; Mr. and Mrs. Tom Fleetwood, Mrs. L. McLean and Mrs. MacKechnie of Lethbridge, Alta.; Mrs. E. Glass and Mrs. M. Norton, of Calgary.

Mary Sheppy, youngest daughter of Mr. and Mrs. L. I. Sheppy, Muriel Ave., graduated from the Royal Jubilee School of Nursing in August and is now a nurse at Rest Haven hospital.

### ROMANCE AND ADVENTURE AT THE GEM

At the Gem Theatre on Thursday, Friday and Saturday, Sept. 13, 14, 15 will be shown that film of romance and adventure, "Quentin Durward."

Filmed in cinemascopes and color on location in England and France, this exciting novel by Sir Walter Scott stars Robert Taylor as Quentin Durward, the Knight of Ivanhoe. It is set in Europe's 15th century, that age of chivalry and treachery, with the magnificence and pomp of its great castles and fortresses, amid sinister intrigues. Kay Kendall portrays the lovely countess who is sought by the stranger from Scotland, Quentin Durward, and promptly involves him in a series of adventures.

"The McConnell Story" on Sept. 17, 18, 19, Monday, Tuesday and Wednesday at the Gem stars those two favorites, Alan Ladd as the triple-jet ace McConnell, and his wife is portrayed by the vivacious June Allyson.

Capt. Joseph McConnell was one of America's first triple jet aces, and one of that nation's great flying heroes. The film is the account of his life when as a young man in an army camp, he dreamed of becoming a pilot and went on to become known as "The Tiger of the Sky", flying sabre jets in the skies over Korea.

**ATOMIC MILK**  
British atomic scientists have successfully treated milk by radioactivity to preserve its freshness. They claim the treated milk will not lose its flavor and can be kept in good condition for 10 days. Commercial application is predicted within five years.

Back in Ontario, Canadian atomic researchers have completed studies to indicate that increased radioactivity in milk resulting from atomic fallout is harmless to health.

countries of Europe, the Isle of Sheppy was badly inundated. Many of the houses were flooded with 10 feet of water, the Beal home among them.

A cousin then living in Victoria, invited Mr. Beal for a visit to see how things were in Canada. Things were just fine in Victoria and Mr. Beal liked it so well that within two weeks, Mrs. Beal was selling up the business at home and preparing to come to Canada. Flying from England to Victoria, Mrs. Beal's only regret is that she "didn't see enough of Canada".

#### ALL HAVE HOBBIES

Life on a poultry farm still requires a lot of hard work, but Ted Beal finds time to play his beautiful piano as the family are all fond of music. Mrs. Beal loves to read and her hobby is short-story writing. Though she admits she has never had a story published, being too shy to do anything about it, she hopes to take a story-writing course and really indulge in her love of putting words together to write stories about anything.

Cathie, her dad's "right-hand-man" on the farm also loves to read, and is at present taking grade 11 and 12 by correspondence. But her big yen is for a horse of her own and she intends to have one, she says, by next year. Cathie is also interested in amateur dramatics and was pleased to learn that she could join the Peninsula Players.

Fair-haired Peter is of course, only four, but he loves the farm, the chickens and their black and white dog.

Glamorgan Farm with its lovely house and substantial buildings built

of Salt Spring Island logs, is well known in this district. It has recently been the Drew poultry farm, but was originally built on the Malson estate as a dairy farm, the reason for the huge chicken houses with cement floors. Already proud of his new business, Mr. Beal was delighted when a poultryman recently told him that in his opinion

it was the finest chicken farm in the whole of B.C.

There will not be much spare time on the farm, but the Beal family hope to have enough time to really become a part of this community, and charming people that friends in this district in which they are, will soon make many they already feel at home.

## FULFORD

Mrs. Bethea and her daughter, from Arizona, were guests of Capt. and Mrs. G. Maude recently. Miss Dora Payne has been camping on the old Indian Reserve at Fulford for a week, before returning to Mayne Island. C. Freeman has been transferred to the Observatory at Saanichton, where he will be caretaker. Mr. and Mrs. Freeman and family are moving from Fulford on September

15. Mr. and Mrs. Caffelle have bought the Freeman's property at Fulford and are moving in this month. Mr. and Mrs. R. Patterson have left for Portland, Ore., this week for a short vacation. Their daughter, Gladys, is accompanying them. Miss Ina Hamilton spent the week-end in Victoria, where she attended the Philatelic Society meeting on Friday night. Mrs. C. Moore and Mrs. Bigelow from Oak Bay, Victoria, were guests of Capt. and Mrs. G. Maude, last week.

Although the traffic was heavy over the holiday week-end, there was only one overload for the M.V. Motor Princess. The coffee bar, in charge of Mrs. Holmes, is very popular on these runs. The Motor Princess took the Gulf Islands runs for two days this week as well as the regular Fulford-Swartz Bay route as the M.V. Cy Peck was away for repairs. The Cy Peck returns to the Gulf Islands runs on Thursday to resume the regular schedule. Mr. and Mrs. G. A. Moulton are leaving on a trip to Baulkley Valley for two weeks. At the Lady Minto hospital on Sunday, Sept. 9, a son was born to Mr. and Mrs. C. Maxwell. The baby weighed 6 pounds 8 ounces and mother and son are doing fine.

With the planet Mars being so neighborly last week, people at Fulford had a clear and interesting view, especially at midnight. The upper side, or southern exposure showed red, almost as if someone had lit a big bonfire for the occasion. It will be some time before we see Mars so close again, so all who took to star gazing and spotted Mars, were looking at history being made. Actually the planet nearest to the earth is Venus but Mars in the most sociable and scientists have a vague idea that there is life of some sort on her—?

Mr. and Mrs. R. Burns of Victoria and their daughter, Margaret, paid a visit to Salt Spring this week-end and were guests of the Hamilton family at Dromore.

Capt. L. B. D. Drummond attended the Philatelic Society meeting on Friday night in Victoria.

A Barrett has been visiting his daughter and son-in-law, Mr. and Mrs. H. Dickens, in Burgoyne Valley, for some weeks.

Mr. and Mrs. J. Thomas of Vancouver have been visiting their daughter and son-in-law, Mr. and Mrs. Brigid, for a few days.

Miss Betty Boulet and Miss Margaret Smith of Victoria have been the guests of Mr. and Mrs. Harry Dickens for the week-end.

Thirteen children, members of the Christopher Club at Fulford, had a wonderful time at the picnic on Saturday when they went with Mrs. G. Maude, Mrs. D. Dane and Mrs. Bryant. C. Hamilton took them in his launch, the Little Beaver, and they spent an exciting few hours fishing and caught a few grise. They landed on the Indian Reserve for the picnic. These children for some years have been doing good work in this district in keeping the road tidy around the wharf, and are planning to tidy up the sides of the road around the Fulford hall and by St. Mary's church.

A surprise birthday party was given in honor of Dick Hamilton on September 3 in the gardens at Vesuvius Lodge. The staff at the lodge made and decorated a special birthday cake and Commander and Mrs. Forrester presented it to Dick. Among the guests were Miss Win Colmer, Mr. and Mrs. W. Kelly, Misses Ina, Violet and Beatrice Hamilton. Dick Hamilton is well known for his beautiful weaving. Some of his work is in the little gift shop at Vesuvius and the woven articles have been a favorite with

## LEGION LADIES HEAR TALK ON V.C. CENTENARY

The Ladies' Auxiliary of the Canadian Legion, Branch 37, held their first meeting of the fall in the Mills Road Hall, with 20 members present.

Two new members, Mrs. D. L. Townshend, and Mrs. M. C. Riddell, were welcomed to the auxiliary. Committees gave their reports, showing all had been busy during the summer recess. Two delegates and one member will be attending the Vancouver Island council meeting in Ladysmith, September 28.

The meeting closed early so the ladies could hear and enjoy Major-General Parkes' talk on his trip to the V.C. Centenary celebrations.

It is hoped that all members of the Ladies' Auxiliary Canadian Legion will do their utmost to attend their meetings held the second Monday evening of each month.

## SACCHARIN BOON TO DIABETICS

The reason that saccharin is used by diabetics and for some other illnesses is that it cannot be digested by the body, not stored in the body and therefore has no effect on the body-chemistry.

visitors this summer. A card party was given at Dromore later in the evening, also in honor of Dick, and among the invited guests were Mr. and Mrs. A. Davis, W. Taylor, Mr. and Mrs. H. Smith, Mrs. Wilson, Mr. and Mrs. A. O. Lacy, A-Capt. and Mrs. Cordner, Mr. and Mrs. Langley, Mr. and Mrs. Kelly, Mrs. Hersey, Mrs. Mabel Brooks. The prize winners at cards were Capt. F. Cordner, Mrs. E. Wilson, Mr. Lacy and Mrs. Cordner.

WORKING WITH CANADIANS IN EVERY WALK OF LIFE SINCE 1817

## What your SOCIAL CREDIT GOVERNMENT IS DOING FOR BRITISH COLUMBIA

### HOMEOWNERS' TAX ASSISTANCE

Social Credit will provide relief for the homeowners. Next year and in the years to follow, residents of British Columbia who own their homes will get a basic exemption on their real estate taxes much as wage earners now get a basic exemption on their income tax. Every person who owns his house will not have to pay taxes on the first unit of assessment. The tax reduction is estimated at \$28 per home throughout the Province. Municipalities that normally collect the taxes will not suffer. They will be reimbursed by the Provincial Government. The \$3,000 home will receive the same exemption as the \$30,000 home.

### THE HIGHWAY PROGRAMME

Social Credit is undertaking a highway construction programme that dwarfs the efforts of former governments. Everywhere in B.C. new highways have been built or are under construction. Contractors are now working on 400 miles of new main roads, and hundreds of miles of secondary roads are being rebuilt and improved by day labour. This year \$68 million has been allocated for highway construction.

### RECREATION

Social Credit has created a whole new concept in the field of recreation, and plans for further co-ordinating and extending this programme are being studied. New park sites have been established and existing sites have been developed to provide picnic and camping places in all populated sections of British Columbia. New highways have provided access to these sites as well as to favorite hunting and fishing locations. Conservation and propagation of wild life is being developed by the Game Branch. For those who prefer less vigorous recreation, community programmes have been created and trained regional counsellors appointed. Recreational subjects cover everything from golf to millinery and from steam engineering to soil management.

### HOSPITAL INSURANCE

Social Credit has eliminated the arbitrary and unfair hospital insurance premium plan, replacing it with a sales tax plan that establishes hospital protection on the basis of ability to pay. The individual in the low income bracket does not pay as much as his wealthier neighbour. And for the first time, industry is now making an important contribution to the cost of maintaining and operating our hospitals.

### THE TOLL BRIDGE PROGRAMME

Social Credit is now building six major bridges that are badly needed and were promised for years by other governments. Cost of these bridges, totalling \$37 million, will be shared by those who use them and by the Highways Department. At present under construction are the Marpole Bridge and the Second Narrows Bridge in the Greater Vancouver area; the Agassiz-Rosedale Bridge; the Kelowna-Westbank Bridge; and the West Arm Bridge at Nelson.

### AID TO MUNICIPALITIES

Social Credit in the past four years has increased its financial contributions, direct and indirect, to municipalities of British Columbia by more than 40%. This aid in 1952 amounted to \$28 million—in 1956 to \$43 million. The burden of education costs have been lifted from the municipalities by increasing government contributions from \$8,100,000 in 1952-53 to \$23,500,000 in 1956-57. Municipalities are also protected from increasing school costs in future years by the introduction of a formula that increases government payments as costs go up.

### SOCIAL WELFARE

Social Credit has established new standards for Canada in its care of the aged, the needy and the handicapped. No other province approaches British Columbia in its humanitarian treatment of those who need help. Old age pensioners receive a cost of living bonus of \$20 a month. Social Assistance Allowances, increased twice in the past four years, are now 25 percent higher than they were in 1952. Disabled persons receive a \$20 monthly bonus in addition to the regular allowance. Last year British Columbia spent \$15.13 per capita on Social Welfare compared to \$9.12 for C.C.P. governed Saskatchewan and \$5.55 in Manitoba where a Liberal government is in power.

### PACIFIC GREAT EASTERN RAILWAY

Social Credit has revitalized the P.G.E. Railway and is now bringing freight and passengers in and out of North Vancouver and by the end of 1957 the Peace River towns of Fort St. John and Dawson Creek will have direct connection with the coast. The line has been completely rebuilt, new rolling stock has been purchased, and finally it is showing a regular and steadily increasing operating profit.

*Vote for the Government that gets things DONE!*

Issued by The B.C. Social Credit Campaign Committee

## SPORTS CAR DEALERSHIP

## COMES TO STERNE GARAGE HERE

(By V.C.)

With the roar of an aircraft we were off, from a flat start to 60 miles per hour in about 10 seconds. Around the corners at a startling rate, with tires protesting and your reporter expecting to find we were riding on only two wheels. But no, we were perfectly level and hugging the ground as closely as an army tank.

George and Lydia Sterne, well-known residents of Sidney district, have been sport car enthusiasts for about four years now, and their new Morgans are a first for Sidney. Mr. Sterne is importing these cars for sale directly from England, and Sidney is only the second outlet in Canada, which brings the total outlets to four in the whole of North America. Shown at the Abbotsford meet over the Labor Day week-end, the Morgan created much interest. The Morgan is available in four

models, two of which, in a bright bottle green can be seen at Sterne's Garage. A very handsome two-seater, beautiful with the top up or down, and a practical four-seater, the only four-seater sports car manufactured. Beautiful with the top down, it is rather an "ugly duckling" with the top up. This way it has the look of those long continental cars you see pictures of touring Europe with the chauffeur in front and "Madame et Monsieur en derriere".

## ONLY SPORTS CARS

Manufactured by the Morgan Motor Co., Ltd. of Malvern, England, these sports cars are the product of many years of experience, as this company makes only sports cars and has done so since 1912.

This beautifully laid out car has a standard motor car engine so that parts are readily available, and a four-speed gear box that is a joy to sport car drivers. No assembly line cars these, for they are hand-built. The specially adjusted placement of engine, transmission and batteries create a balance which makes the car hug the road on the corners going at any speed.

These Morgans, with their TR3 engines, have won three awards in its class in the Sports Car Club of America national events on this coast.

## OPPORTUNITY FOR CADET TRAINING

Boys of this district who formerly have had to travel to Victoria to take their cadet training, will now have the opportunity to take advantage of the excellent opportunities afforded at the Patricia Bay Armouries.

Small tank-type carriers, rocket launchers, the famed "bazooka", Bren guns and Sten guns, rifles and 281 mm. mortars; all these and more to interest the keen minds of local boys.

Cadets are needed to swell the ranks of the local corps, and those with several years service already to their credit, may enlist in the Canadian Militia. The Canadian Scottish Regiment are also recruiting, and boys between the ages of 14-17 who are interested in the cadets, and those older who are interested in joining the Scottish are asked to please contact Maj. C. D. Buckle, P.O. Box 209, Sidney, or at Sidney Insurance and Realty, Beacon Ave.

## NEW JOB FOR COMMISSIONER

On Tuesday, Commissioner J. Bilgeri was appointed by the village commission to supervise the refuse disposal area.

This area, now under contract to B. Bowcott must be maintained to the standards required by the commission as recommended by the Public Health Officer. Complaints have been received recently that the requirements have not been met and Mr. Bilgeri has taken on the job of supervising this area.

## PENINSULA PLAYERS PLAN PROGRAM

Enlarging operations at the North Saanich high school will curtail many things until after January, among them the usual plans of the Peninsula Players.

However, arrangements have been made for the use of Mount Newton high school auditorium for a three-act play on November 8, 9 and 10, and for a children's play on December 20, 21 and 22.

The first general meeting will be on September 10 at St. Andrew's hall when suggestions and plans will be dealt with. It is hoped that casting may be done for the first play. New members who will take an active part in any capacity are always welcome.

## THEY CAN'T GET AWAY FROM IT

Screaming fire sirens and roaring fire trucks disturbed the still of the night not one but two nights in a row, and the force of the habit from years of answering the sirens had Fire Chief Art Gardner on his feet before he realized he was not in Sidney.

Mr. and Mrs. Gardner, accompanied by Mr. and Mrs. A. Clayton, took a brief visit to Seattle and Vancouver last week-end, and during their over-night stops at both Everett and Bellingham, the fire departments did their best to make them feel right at home. Maybe they found out that it was the Gardner's 20th wedding anniversary, and were just saying "Congratulations".

RETURN HOME TO VANCOUVER  
Mr. and Mrs. R. E. Morris have returned to their home in Vancouver after a holiday spent at the home of Mr. and Mrs. Philip Brethour, of Oakland Farm, Patricia Bay Highway.

## SCHEDULE CHANGES

The Washington State Ferries have started their early fall schedule. Commencing on September 5 the ferry between Sidney and Anacortes started a new service of two trips a day, 10.30 a.m. and 5.15 p.m. standard time.

From October 16 until October 31, there will be just one ferry a day leaving Sidney at 1.20 p.m., standard time.

## 4-H CLUB MEET MEMBERS FROM PERU

Saanich 4H Goat Club members were among the 240 boys and 156 girls who attended the P.N.E. as guests of the Fair Board. Housed in the E. Hastings community centre with free meals and entertainment supplied, including the Kiwanis Circus and a Hobby Show, they thoroughly enjoyed their stay in Vancouver.

The various clubs represented, demonstrated some of their work in the C.B.C. Television tent where the highlight was the meeting with a girl and boy from Peru. These 4H Club members had received such high points for their work that their trip to Vancouver had been sponsored by the 4H Clubs of Peru, and while in Vancouver they too were guests of the Fair Board.

## VETERANS' HOME-BUILDING COURSE TO BE HELD HERE THIS WINTER

V.L.A. "Build-Your-Own-Home" courses are to be sponsored in this district by the Canadian Legion, Branch No. 37. This winter a course consisting of 20 two-hour periods of practical demonstrations on the construction of a home will be held, with question periods for individual problems.

H. J. M. Wheeler, V.L.A. construction supervisor, will be the instructor for the course which will commence on Monday, Oct. 15 at 7.30 p.m. in room six of Patricia Bay school. If Mondays are not suitable to the majority, the day of the week may be changed after the first lecture. Advance registration and payment of the \$15 fee can be made at the Belmont Building, room 709, or registration may also be made at the Canadian Legion, Sidney, with the fee to be collected by a school board official prior to the first lecture. The facilities of School District No. 63 are to be used and the course will be held only if a minimum of 12 veterans register. Non-veterans may register after all veterans' needs have been met.

A similar course will also be held in the Royal Oak high school commencing on Wednesday, Oct. 10 at 7.30 p.m.

Be sure to vote September 19.

## A RECEPTION...

will be held at the home of MR. and MRS. A. W. AYLAND on Wains Cross Road for MR. HUGH HENDERSON Progressive Conservative Candidate, for this area, at 11 a.m. on FRIDAY, SEPTEMBER 14.

It is hoped that those interested will take this opportunity to meet Mr. Henderson.

## ISLANDERS SHOULD ASK TO HAVE ASSESSMENTS RAISED

At a Social Credit political rally on North Pender Island on Thursday evening, Mr. Elgie, campaign manager of Mayor Earle Westwood, made the statement that Mr. Westwood was definitely slated for a cabinet post, if elected.

Ray Brackett, of North Pender Island, introduced Mr. Elgie who made the introduction speech for Mr. Westwood. He gave a short review of the achievements of Mr. Westwood, ending with the statement that Mr. Westwood would be in the cabinet.

Mr. Westwood spoke enthusiastically about the vast resources of the province. He explained that the government was going to the people on its record of achievement of the past four years.

He stated that since the natural resources belonged to everybody and

### GANGES

Visiting Salt Spring Island, guests at Aclands, are: Mrs. G. Foster, Major and Mrs. W. C. Merston, L. Austin-Leigh, Victoria; Canon C. Gibson, Miss M. Gibson, Miss S. Gibson, Mr. and Mrs. A. Davis, Vancouver.

Dr. and Mrs. S. G. Baldwin arrived on Saturday from Vancouver. The doctor is spending the week-end at Tantramar, Vesuvius Bay, the guest of Mrs. R. T. Meyer with whom Mrs. Baldwin will remain for an indefinite visit.

After spending about three months at Campbell River, Tom Toynbee returned to Ganges on Wednesday for a few days' visit to his mother, Mrs. R. Toynbee, before leaving on Monday for the U.B.C.

Mark Crofton, who has been spending the summer with his parents, Mr. and Mrs. D. K. Crofton, Winfrith, left on Sunday to commence his training at H.M.C.S. Venture, Esquimalt.

Miss Susan MacWilliams has returned from Eaglehurst and is spending a few days with her parents, Mr. and Mrs. A. J. MacWilliams, Scott Road, prior to resuming her studies at the U.B.C.

Following a two-month visit to Vesuvius Bay, T. B. Dean returned home last week to Redland, Calif.

Guests registered at Harbour House: E. Wright, Mrs. M. Heath, C. Eamon, R. McAdam, Mr. and Mrs. R. Howard, Mr. and Mrs. F. Warrington, D. Gould, Mr. and Mrs. J. B. Bristow, R. Anderson, C. Woods, Mr. and Mrs. A. Tilt, Mrs. W. White, Miss M. Peters, Vancouver; T. McDonough, R. Nelson, D. Anderson, Nanaimo; Col. D. Stephenson, E. Martin, L. Manwairing, G. Olnik, Victoria; B. Kent, G. Goodlet, White Rock; Mr. and Mrs. H. Shee, Kamano; Mrs. E. Jackson, Mrs. E. Felme, Spokane; Mr. and Mrs. R. Hill, Kelowna; Dr. and Mrs. E. Tait, Lake Cowichan.

Miss Sharon Crofton left on Saturday for Vancouver where she will be the house guest of her uncle and aunt, Mr. and Mrs. G. E. Raley, and attend Crofton House school.

Miss Yvonne O'Sullivan returned on Monday to Vancouver after spending a few days here, the guest of Mrs. R. Toynbee, Churchill Road. J. D. Halley left Vesuvius Bay on

### CALL MARINE AMBULANCE

Dr. Francis had a marine ambulance call recently in his boat, the Anardee, to Pender Island, where he had to pick up J. Martinich and bring him to the Lady Minto hospital, Ganges. Dr. Francis was accompanied on the trip by A. M. Brown. Mr. Martinich is progressing favorably.

and Mrs. W. K. Canfield, D. Thomas, Nanaimo.

Mr. and Mrs. J. Ford returned on Sunday to Vancouver, after spending several days at their summer home here.

## THE GULF ISLANDS

### PARTIES HOLD MEETINGS

A very enthusiastic meeting of the Salt Spring Island Social Credit Group 3 was held Thursday, Sept. 6, in the board room at Mahon hall. Mrs. J. D. Fletcher was appointed to head a committee to be in charge of transportation on election day. September 19. Scrutineers were also appointed and the executive was given the power to do further advertising for the meetings that

are to be addressed by Mayor Earle Westwood, mayor of Nanaimo, who is candidate for the Nanaimo and Gulf Islands constituency.

Colin Cameron, M.P.; Rod Glen, and David Stupich addressed C.C.F. meetings at both Mahon hall, Ganges, and Fulford hall on Friday, Sept. 7. Mr. Cameron spoke to an interested group at Ganges first, then proceeded to Fulford. David Stupich said a few words until the C.C.F. candidate, Mr. Glen, arrived from Fulford. Chairman for the evening at Ganges was John Headly.

### ISLANDS TRAFFIC IS TERRIFIC

Traffic via the air to the Gulf Islands reached a peak over the Labor Day week-end, with 48 passengers leaving Ganges Harbor. The Canso, 20-passenger plane being used, was too big to dock with her huge wing span, and had to be met in Ganges Harbor by a boat carrying the passengers.

### VISITING VESSELS

Two Bay Class minesweepers called in at Ganges on Thursday, staying overnight and leaving Friday morning for Victoria. They were H.M.S. Comox with Lieut. Commander C. G. Smith in charge and the H.M.S. Fortune under Lieut. Commander P. R. Hinton. A third vessel usually travelling with these two was being overhauled, but by October all three will be together again and in top condition.

Mine sweeping exercises were being carried out in the Gulf of Georgia.

### B.C. WOMEN'S INSTITUTES HEAD ENTERTAINED ON PENDER ISLAND

Mrs. Stella Gummow of Victoria, superintendent of Women's Institutes for British Columbia, and Mrs. E. H. Emery, also of Victoria, president of the district board, visited the Pender Island branch on Friday last, and spoke to the members and invited guests in the Hope Bay hall, during the afternoon.

Speakers were introduced by Mrs. Ray Brackett, president of the local Institute. Mrs. Emery spoke briefly of the work of the institutes in the area, and expressed pleasure in the trip to Pender, and in the activities carried on by the Pender Island branch. Mrs. Gummow enthralled her audience with anecdotes from her travels in connection with institute work. After briefing the members on the provincial slate of officers for the coming year, Mrs. Gummow spoke of the Women's Institutes' exhibits at the P.N.E., and complimented the local women on their entries, which had consisted of a quilt (third prize), a baby's hand-smocked dress (second prize), and a cross-work tablecloth. Forty-one B.C. Institutes sent exhibits to the P.N.E., where the institute quilt, containing names of all B.C. members from 1909 to 1954, was on display. Pavilion, though so remote its members find it impossible to make the long trip out to conventions, sent a beautifully worked quilt, Mrs. Gummow recalled.

This November, the convention of the Associated Country Women of the World, of which the Women's Institute is an affiliate, will be held in Ceylon, and Mrs. Gummow has organized a party of 33 members from all parts of Canada, who will fly with her to Ceylon, to attend. All countries, except the South American countries, and Russia, are now represented in this great organization. Returning via Australia, Mrs. Gummow will spend the Christmas season in Queensland.

The meeting closed with informal discussion "over the tea cups", and invitations were extended to Mrs. Gummow and Mrs. Emery for future visits.

### His Mother-in-Law Lived At Fulford Many Years Ago

Pete Maffeo of Nanaimo, Liberal candidate for Nanaimo and the Islands in the September 19 provincial election, has a close family connection with Fulford on Salt Spring Island.

Many years ago Miss Jessie Cairns lived at Fulford. Later she became Mrs. Akenhead and still later her daughter, now Mrs. Pete Maffeo, was born.

Old-timers of Salt Spring Island remembered Mr. Maffeo's mother-in-law when she resided at Fulford.

### Picnic At Pender For United Church

A most successful picnic was enjoyed by the combined members of the Ganges United Church Sunday school and the Evening Circle on Saturday when, by courtesy of the Gulf Islands Ferry Company, all went to Pender Island. Mrs. Mollison, superintendent of the Pender Sunday school, and Mrs. R. Brackett made arrangements to meet the Ganges visitors and transport them to the picnic grounds at the golf course, where they joined the Pender Sunday school. There were about 60 from Salt Spring and it was a happy but tired group that arrived home in the evening, after playing games and enjoying the glorious weather. Rev. Forster and the Ganges Sunday school staff, Mrs. Hardwick, Mrs. I. Bradley and Mrs. Jean Brown were in charge.

Milk is not so readily available as are most other beverages commonly used.

## THE GULF ISLANDS

### NORTH PENDER

Mrs. L. M. Napper left the island last week, to take up permanent residence in San Diego, Calif.

Miss Freda Christie, who has been visiting Mr. and Mrs. D. Middlemiss, who are in residence at their summer home, from Calgary, returned to Vancouver at the week-end.

Mrs. Elah Cawley and son, Michael, of Victoria, returned to their home last week, after spending a holiday with Mrs. Cawley's mother, Mrs. Annie Symes.

Mr. and Mrs. Wm. Bridges of Glasgow, Scotland, are guests of Mr. and Mrs. Owen Bingham. Mrs. Bingham and Mrs. Bridges, sisters, are enjoying their first visit after some years separation.

Mrs. Alice Metherall is a Vancouver visitor this week.

Bob Wilson has returned to his island home, after some months' absence in Whalley. He will be joined by Mrs. Wilson and the boys in October.

Miss Jean Davidson of Vancouver, spent the week-end with her parents, Mr. and Mrs. A. Davidson.

Mr. and Mrs. J. Wrench, of White Rock, are spending a holiday with Mr. and Mrs. Walter White, Armadale.

W. L. Shirley left Sunday for Lethbridge, Alta., owing to the critical illness of his brother-in-law, Sid Russell, in the Alberta city.

Mrs. A. Fraser, of Vancouver, is the guest of Mr. and Mrs. George Logan.

Mrs. J. Muncester left last week for Edmonton, with her son, James, who has been visiting her on Pender. She plans an absence of several weeks.

E. Pollard and son, Robin, left Saturday to spend a few days in Victoria.

Miss Eileen Casseday left last week to resume her teaching duties in Vancouver. She was accompanied by her mother, Mrs. E. Casseday, who will visit in Vancouver for two weeks.

Seen on Pender recently was Raymond Bowerman, flying down from Alberni with his father, Art, landing on improvised landing strip bulldozed out by Uncles Elmer and Leslie Bowerman. Terry Martinich, Margaret Amies, Ricky Ruck, Clayton Smith and Leah Rall, marching off to school to enroll in Grade 1. The Motor Princess pinch-hitting for the Cy Peck Monday and Tuesday. George Logan driving a fine new general duty three-ton truck. Frank Prior and Walter White constructing a five-room modern dwelling, for J. Godkins on one of his waterfront lots. and, a 40 per cent increase in Pender Island school enrollment over last year.

Ganges and Pender Island United Church Sunday schools enjoyed a happy picnic outing on Saturday afternoon at the Pender Island picnic grounds, when 65 children and parents and teachers gathered together for games and treats. The Ganges Sunday school, under the supervision of Mrs. A. T. Hardwick, superintendent, and Rev. and Mrs. P. Forster, arrived on the afternoon ferry, well laden with bulging hamper of the kind of picnic suppers that delight both young, and those not quite so young, as well as inexhaustible supplies of ice cream. The contingent was met at the wharf by Mrs. W. C. Mollison, superintendent of the Pender Island Sunday school, who had arranged transportation for all to the picnic grounds, where the local children were waiting, and a gay time was had by all. This is the first time Salt Spring and Pender United church children have been able to enjoy such a picnic together, and further visits are anticipated by both island groups.

A very poorly attended meeting held in the Hope Bay hall, Wednesday evening, Sept. 5, saw Mrs. Myrtle Wilson elected Pender Island trustee to the new hospital board, Ganges, for the coming term, length of such terms to be determined at a forthcoming meeting in Ganges.

Mrs. Shirley Van Denburgh, young son Donald, and brother Michael Taylor, all of Huntington Beach, Calif., have returned home after a holiday spent with Mr. and Mrs. Laurie Auchterlonie.

Mr. and Mrs. Stan Charman have returned from a holiday in Victoria. Mrs. S. Gardiner is the house guest from Vancouver, of Mr. and Mrs. A. Crawford.

W. C. Roberts, of North Vancouver, formerly of Bonnamouth, England, visited with Mr. and Mrs. R. G. Straker over the week-end.

### EXCELLENT GARDENS THIS SEASON

Vegetables and flowers have been excelling themselves in the Pender district this summer. Sweet peas grow so tall in H. Smith's garden that he has to climb a ladder to cut the flowers; a three-foot branch on a Pacific Gold peach tree held 48 well developed peaches; beet-roots in Mrs. Ronnie Lee's garden in Burgoyne Valley are as big as footballs and weigh seven pounds each; and in Mrs. A. Davis's beautiful garden at Radmore, dahlias are as big as dinner plates.

Dick Hamilton has a jet propelled Hubbard squash, one branch has run away from the main plant and has travelled 24 feet alongside the road and is still going, with big vegetables hanging on and travelling with it.

### THEFTS ON SALT SPRING

There has been a series of petty thefts in Ganges recently, with a number of homes on Rainbow Road being entered, including the homes of Mrs. King, L. Mout and Mrs. Galbraith; also, on Atkins Road, Mrs. Audrey Jackson's home. Friday, Turner's Store lost several hundred dollars worth of goods when entry was gained through a window.

### GANGES I.O.D.E. RESUME WORK

Following the summer vacation H.M.S. Ganges Chapter, I.O.D.E., met on Friday in the board room of Mahon hall with the regent, Mrs. V. C. Best, presiding. The treasurer's report showed a balance of \$204.10. It was announced that the summer monthly stalls had realized \$164.17 and that one more stall would be held on October 6. Mrs. H. C. Giegerich took over the position of treasurer for the chapter, replacing Mrs. Cora Faire, who has resigned.

Mrs. Joyce Parsons, educational secretary, reported having presented the chapter's \$35 scholarship to Marie Bennett at the high school graduation. The chapter voted \$10 for powdered milk for the children of Korea and \$5 towards the upkeep of the I.O.D.E. X-Ray unit used in Korea. A letter was read from headquarters giving a resume of the work in Commonwealth Relations from its beginning in 1902, showing how it had broadened, taking in India, Pakistan, Nigeria and Jamaica, and the sum of \$25 was voted to this project.

Following adjournment tea was served by Mrs. W. M. Mout and Miss Mary Lees.

### I.O.D.E. STALL AT GANGES SUCCESSFUL

The I.O.D.E. summer stall held on Saturday at Mout Bros. store, Ganges, realized \$37 for the funds of H.M.S. Ganges Chapter by the

sale of home cooking. The convener was Miss Frena Aitkens and assisting her were Mrs. Cora Faire, Mrs. George Lowe, Miss E. C. Angus and Miss Mary Lees.

In the afternoon's contest the prize, a wall lamp, was won by Mr. Taylor, Fulford-Ganges Road.

Be sure to vote September 19.

### OFF TO SCHOOL

Two Salt Spring Island boys left Ganges this week to attend school at Malvern House School for Boys at Foul Bay, Victoria. They are Master David Parsons, grandson of Archdeacon Holmes, and Master Philip Rogers, nephew of Mr. and Mrs. H. Rogers.

## A Personal Message To The Electors of The Gulf Islands

PETE MAFFEO

Dear Friends:

To many of you I come as a stranger requesting your support in the forthcoming Provincial Election.

In making this all-important request of you, I presume you are asking with every right, what has made me offer myself for Public Office.

In answering, I was born and raised in this constituency and I would like to say that my life has been spent in working for the welfare of our citizens. The projects I have worked on have included the Development of Youth Activities, Provision and Care of our Senior Citizens, Proper Facilities for our Public Health and Voluntary Health Services such as Cancer, Arthritis, Red Cross, V.O.N. and Fish and Game Activities.

These and many more have been my life, my work, my pleasure. I enjoy working with and for people, developing projects and bringing them to completion.

I now ask your support so that I may enter the Provincial Field to carry on this work. I believe I will find expression here to achieve projects which come within the scope of our Provincial Government, and will be of benefit to all.

It is with the deepest regret that I find myself unable to spend more time on the Islands through no fault of my own. I can accept no responsibility for the lack of time for this campaign. I fully realize the importance of the Islands in this Constituency. I also know that you have your own problems concerning the Islands. The only promise I will make is that whatever affects my constituency will receive my prompt attention, and I assure you that your needs will be my deepest concern.

In closing, I fully realize that you are just as interested in the results of this election as I am and I am convinced that when you help me go to Victoria as your representative you will never regret it. With your support I expect to be your next M.L.A.

Thanking you,

Yours sincerely,

PETE MAFFEO.

AUTHORIZED BY NANAIMO AND ISLANDS LIBERAL ASSOCIATION.

## To The Voters of The Nanaimo and The Islands Constituency:

The voters who desert their political principles to climb on an election band wagon are subscribing to a political fatalism that sucks the very life out of democracy.

How much money does the B.C. Electric give to the political party machines? The money comes from somewhere. Anyone simple enough to believe that elections are fought with membership dues would be shocked if he knew the truth. It is time to stop the passing of folding money under the tables. You, the voters of this constituency, have felt the indirect effect of this sort of dealing in the recent increase in our power rates. Our B.C. Power Commission has been driven into a corner, forced to serve distant and unprofitable areas at terrific cost and denied the rights to a major source of cheap power.

ED. BREWSTER

### AS YOUR INDEPENDENT CANDIDATE, I PLEDGE MYSELF TO FIGHT FOR:

- ★ **Lower Power Rates for Our Consumers**  
Let's stop subsidizing the B.C. Electric through our votes.
- ★ **A Major Source of Low-Cost Power for Our B.C. Power Commission**  
Let's give this fast-growing boy a pair of pants that will fit him.
- ★ **More Generous Grants to Our Provincial Hospitals. Health Comes First.**  
Stop the spread of the dread GOLDEN STAPH. \$70 million was collected and only \$30 million was spent.
- ★ **More and Better Roads. Wider Bridges, Not Catwalks.**  
Less triumph of imagination over sound engineering advice.
- ★ **Forests. Our Forests Must Be Returned to the Control of Our Forest Service.**  
Let's keep our forests green for our children, not for a few millionaires.
- ★ **Finances.**  
Let's have the truth published so a layman can understand it. Less Pay-as-we-go-borrowing.
- ★ **The \$28.00 Tax Bonus.**  
Let's stop the buying of votes from some of the people with money that belongs to all of the people. No second-class citizens in this province.
- ★ **Reduce Sales Tax.**  
The only fair way—all contribute, all should share.
- ★ **A More Clearly Defined Milk Act.**  
The new increase in milk prices can be laid to the cost of trying to keep books as required by the new Milk Act. Let's put the farmer back on the farm and out of the ledgers. Out of the red and into the green.

The Record shows that more was accomplished in two years with an Independent as your M.L.A. than under twenty years of voting the party line. If you wish to vote progress, not politics, you cannot go wrong by voting for your Independent candidate, ED. BREWSTER, on September 19th.

Cost of this ad means MR. INDEPENDENT goes without a new overcoat.

"PROVINCIAL ELECTIONS ACT, 1953"

## NOTICE OF POLL

FORM 12 (Section 60)

Province of British Columbia

In the NANAIMO AND THE ISLANDS Electoral District.

To Wit:

PUBLIC NOTICE is hereby given to the voters of the electoral district aforesaid that a poll has become necessary at the Provincial election now pending for the same, and that I have granted such poll; and, further, that the persons duly nominated as candidates at the said election, and for whom only votes will be received, are:

Surname	Other Names	Address	Occupation	Party or Interest Represented
WESTWOOD GLEN BREWSTER MAFFEO	Earle Gathers	Nanaimo, B.C.	Mortician	Social Credit
	Arthur Rodolfo	Nanaimo, B.C.	Typesetter	C.C.F.
	Edward	Nanaimo, B.C.	Merchant	Independent
	Peter	Nanaimo, B.C.	Manufacturer	Liberal

Polling-places will be open on the 19th day of September, 1956, at the following places from eight o'clock in the forenoon until eight o'clock in the afternoon:

Polling Division	Address of Polling-place	Polling Division	Address of Polling-place
1. Nanaimo Centre	St. Paul's Anglican Church Hall	8. Galiano	South Galiano Hall
1A. Nanaimo South	United Church Hall, Halliburton Street	9. Port Hope Pass	Home of Mrs. H. Barnes
1B. Brechin-Townsville	Yacht Club	10. Ganges	Mahon Hall
1C. Millstone	Brechin School	11. North Salt Spring	Central Hall
1D. Harewood	New Fire Hall	12. South Salt Spring	Fulford Harbour Community Hall
2. Lyburn	Brechin School	13. Musgrave	Home of James A. Smith
3. Northfield	Fire Hall	14. Mayne Island	Community Hall
4. East Wellington	United Church Hall	15. North Pender	Hope Bay Community Hall
5. North Gabriola	South Gabriola Hall	16. South Pender	Pritchards Hall
6. South Gabriola	Old Mill Site-Telegraph Harbour	17. Saturna	Community Hall
7. Retreat Cove	Home of Mrs. Clara M. Bell	18. James Island	Moore Club
		19. West Haven	Assembly Hall

### ADVANCE POLL (IF AUTHORIZED)

(Section 114)

For the purpose of taking the votes of those registered voters who will be unable to attend a polling-booth on polling-day as set forth above, advance poll will be opened at

St. Paul's Anglican Church Hall, Chapel Street, Nanaimo, B.C.

Advance polling-booths will be open from one o'clock in the afternoon until nine o'clock in the evening of Thursday, Friday, and Saturday, the 13th, 14th, and 15th days of September, 1956.

Of which all persons are hereby required to take notice and to govern themselves accordingly.

Given under my hand at Nanaimo, B.C., this 5th day of September, 1956.

B. WAUDE,  
Returning Officer.

## TERRIFIC POTENTIAL OF GULF ISLANDS STRESSED

Peter Maffeo, Liberal candidate for the Nanaimo and Islands constituency spoke on Tuesday evening at Ganges to an enthusiastic audience.

In introducing Mr. Maffeo, W. M. Moutat referred to his past achievements in his home town of Nanaimo where he has spearheaded drives for the local school by-laws, civic arena, city hall, the health centre, that he had organized the civil defence organization and worked out a plan which had been adopted by civil defence throughout Canada and for his outstanding services for his country and community had been awarded the Order of the British Empire in 1945.

Mr. Maffeo said: "I want to thank you people who have shown your support in nominating me as your candidate. I am not well known to you—most of my lifetime has been spent in my home town of Nanaimo. But I come to you as a native son-in-law; my wife's mother was born at Fulford Harbor."

Mr. Maffeo pointed out that before he had allowed his name to stand for nomination he was personally assured by Dr. Larry Giovando, the present sitting member, that he was not going to run again. He mentioned that Dr. Giovando was a close personal friend of his and that he hoped, if elected, to carry on the good work started by the former M.L.A. He stated that Dr. Giovando had not received enough credit for his work as their member and that it appeared that

the present government was taking all the credit therefore.

Mr. Maffeo stated that he wished it clearly understood that he would pledge to the constituency his full support of any worthwhile plan or suggestion no matter from where it originated and regardless of race, religion or politics.

### TERRIFIC POTENTIAL

Mr. Maffeo said: "These Islands, lying on the east coast of Vancouver Island, are far more important than many people realize. At one time they were passed over because they were considered remote from the main centres of the province. Now geography proves that these Islands are an integral part of the life and the economy of B.C."

"Your potential development is terrific. The Gulf Islands should be a mecca for fishing, hunting and tourists."

"And that is not all. These Islands have an industrial potential that is going to make a lot of people sit up and take notice. Reasonable rates for electric power will not only take some of the strain off personal budgets: It will make a substantial difference to the location of industry. It was reported that a decision was made recently not to locate two separate industries in this constituency because of the high cost of electric power."

"The increasing importance of the Islands, their special problems, their terrific potential, warrant particular representation. The Liberal party is pledged to set up a parliamentary

## THE GULF ISLANDS MISS POPHAM ENJOYS LONDON

committee for a fairer redistribution of seats in the legislature. Dr. Giovando has advocated that the Gulf Islands be organized as one constituency with their own M.L.A.

"If the people of the Gulf Islands want to have their own constituency and member, I will fight for this in the House."

### WINTER FERRY SCHEDULE DISCUSSED

The Salt Spring Island Chamber of Commerce transportation committee, represented by A. M. Brown and A. M. J. Field, and the Gulf Island Ferry Co. by G. C. Moutat, Lieut.-Col. D. Crofton and V. C. Morris, were joint hosts at a luncheon meeting in Ganges to representatives from the other islands.

Coming from Mayne were F. Bennett, G. V. Dibley, J. W. Lord, R. Salmon and Mr. Millem; from Galiano, Miss Betty Scoones, E. Lorenz, and S. Riddell; from Saturna, Mrs. J. Money, Dr. B. J. Hallows, and J. Campbell, and from Pender, Capt. Beech, W. Shirley and T. Auchterlonie.

The meeting was called to discuss the winter ferry schedule for the islands. The charter calls for six days service a week, with a minimum of four calls to each island per week. All islands were unanimously in favor of being able to go and return in one day. Suggestions were that calls be made at Mayne and Galiano on two days, Saturna and Pender on two days, and from Ganges touching all islands returning to Ganges, twice, for the remaining two days. The latter proposal was put forth by the Salt Spring Island Chamber of Commerce to allow shopping on the island.

### GALIANO

Those at Retreat Cove last week and over the Labor Day week-end were: Mrs. H. Lamb, Mrs. H. L. Robertson, Mr. and Mrs. D. Stewart and family, Darwin Robertson, Miss V. Robertson, Miss Beth McLean, all of Vancouver.

Guests of Mr. and Mrs. J. Jorgensen last week were: Mr. and Mrs. N. Jones, Mr. and Mrs. H. Newman, all of Vancouver.

Mrs. S. Lewis, of Vancouver, spent last Saturday on the island.

Jack Robinson returned to Galiano last week from the east, accompanied by his brother, George E. Robinson, of Vancouver.

At the meeting held at Galiano hall on September 5, Mrs. E. I. Scoones was elected as the island representative to the board of Lady Minto hospital.

A Labor Day dance was held at Galiano hall on September 1. The music was supplied by the Ganges orchestra, and refreshments served during the evening.

### Food, Plumbing, Telephones Are Good

Salt Spring residents who at one time or another had occasion to go to the provincial assessor's office while Miss C. Popham was there, will remember the inimitable Catherine and enjoy the following words

### LIVING NOW IN HANEY, B.C.

Mr. and Mrs. F. B. Cory, who recently sold their lovely beach home, in Lyall Harbor, Saturna Island, have bought a home at Haney, B.C. Mrs. Cory is the great-great-granddaughter of the Fourth Marquis of Townshend, of England, and cousin of the present Seventh Marquis of Townshend, who is at present living on the magnificent Townshend estate at Rayham, Norfolk. The green velvet lawns and beautiful flowers and trees are a picture, also the magnificent home, where so much entertaining was done in the past and present.

The late Sir Lewis Davies, who was born in Prince Edward Island and had been Judge of the Supreme Court of Canada for 25 years at the time of his death, is also a cousin of Mrs. Cory. She is the eldest daughter of the late Arthur Davies who was Chief of Police in North Vancouver and the late Kate M. H. Davies, who passed away recently.

Mr. Cory can look back to five generations born in New Brunswick and comes from a prominent family who pioneered in the lumbering business in N.B.

received from her by Mr. and Mrs. A. M. Brown:

"... I arrived after six glorious weeks on board ship. We had a calm and luxurious trip over, landed in Antwerp and then by train and boat to England. I really love it here, and now feel completely at home after the initial shock of seeing almost nothing but black cars—scores and scores of small upright black taxis which at first look ludicrous but prove to be very effective! The shops are beyond description and it's hard to believe that they were short of so many things for several years after the war, for now the shops are packed with everything imaginable... and the clothes!"

"I went to a party at Buckingham Palace it was tremendous fun. We went through some of the magnificent rooms in the palace and out into the garden where the sun shone down on 8,000 beautifully dressed people. The men in grey top hats, etc., and the women in gorgeous dresses, especially the oriental

women who were there—their silks are in such intense colors.

"Diana Kropinski's sister and her husband drove me over to the Earl of Pembroke's place—one of 'The stately homes of England', where, by paying 2/6 you can see all over the house and garden. I was very interested as my father was chaplain to them for three years prior to his coming to Canada. What a magnificent house—as big and far more beautiful than Buckingham Palace and inside the walls are lined with priceless paintings—Rembrandt, Van Dyck, etc.

### SALARIES GHASTLY

"We have been to some really wonderful restaurants, French, Russian and so on, though you have to be a millionaire to go often. The ordinary cafes are good however—in fact the food, plumbing, tele-

phones, etc., are infinitely better than I'd ever dreamed. Salaries are ghastly and so far I've been lucky enough to escape that aspect of life though I suppose I'll have to settle down soon..."

### MORE ABOUT CANADIAN

(Continued from Page One)

iod. The entire police force tears through the streets to the scene of the crime. Beefy fists are clenched in horror at the effrontery of a mere motorist. His name is taken and he is reported. In due course he appears in court, fearful and trembling. His murderous counterpart is offered every assistance, counsel and defence. Not the over-parking criminal! The eyebrows of the court are drawn in a solid black line. Officers of the court glower horribly at the victim of the times. Even the criminal's own family look askance at him as he cowers in the dock, damned by the fearful evidence against him. A murmur runs through the court as the awful truth is broadcast. "A motorist! A parking motorist! An overparking motorist!" The prole-

ariat spits. The capitalist goes from purple to black.  
**AGAIN A PAUPER**

At the conclusion of the hearing the motorist, once again a pauper, slinks from the court amid catcalls and contemptuous glances. There is no doubt that our entire civilization is geared now to put that contemptible creature in his proper place. A driver! Undoubtedly the lowest form of animal life!

This animosity towards the over-parking motorist extends across the world. Here, the view of the administration is slightly different. Instead of a clock to indicate the time spent in one place, he requires a calendar to indicate whether he can park there at all. On even dates he parks on one side, on odd dates he parks on the other. The term is also different. Here, the signs say "No waiting." There is a further secret here to catch the unsuspecting driver. Restrictions on parking are written into various acts and by-laws. The driver must acquire all these acts and

read them well before he can be sure of permission to park anywhere.

### SHORTAGE OF PETROL

Recently I ran out of gas on a main artery into the city of Birmingham. Accordingly, I abandoned the car. This is a familiar routine. I usually ignore the gauge or refuse to believe it. Either way, you're bound to lose. About an hour later I returned to reclaim the car, complete with means of towing it to a garage. A cop stood guard over my car and informed me that it was too near a pedestrian crossing. He warned me that I would "be reported."

Had I not been in possession of a B.C. driver's license I might well be languishing in the dungeons of some fearsome prison at this very moment. He examined my license and asked where I got it. I informed him that the police gave it to me in exchange for \$5. After examining it inside and out, he told me of the seriousness of my crime and agreed that the fame of the zebra crossing might not yet have reached the Pacific coast. He let me off! I returned to the bosom of my family with tears of joy at my narrow escape.

### NO RESTRICTIONS

That is not the end of my problems in parking. In the well populated town of Knighton, on the Welsh border, there is no restriction on parking. A driver may leave his car where and when he wishes. This is not so in the case of certain business areas, where the width of the streets is less than eight feet and a truck can only pass when the driver is competent to drive by watching his rear-view mirror as carefully as his fenders.

A driver must also take his car off the street after dark. There is a commodious car park, constructed and paved at public expense. It is provided with three entrances. There is no sign to indicate that any one entrance takes seniority over any other two. Nevertheless, on the receipt given to the driver there is some small print which directs that only one entrance may

### MORE ABOUT HIJACKERS

(Continued From Page One)

"Baker got off first; and we shifted around the boat to keep the equilibrium, and Morris got off next." Sowash then said that because Morris was heavy, weighing around 200 lbs. he said, he pushed away the dinghy as he stepped onto the Beryl-G, and he, Sowash, had to reach for the anchor chain to pull himself back to the side of the ship. As he was doing so, he said, so that he could get on board the Beryl-G, he heard two shots.

Mr. Harvey put in a question at that point, and Sowash said, "Just a moment. I get ahead of my story."

"I heard someone's voice that I didn't know... say, 'Who is there?' And I heard Baker say, 'It is the law.' Perhaps five seconds elapsed and I heard two shots, one right after the other. I didn't attempt to get onto the boat after I heard the shots, I was perhaps

be used. So far I have successfully negotiated all three. The charge for parking is a nickel a day or about 40 cents a week (the figures are approximate).

### TWO FOR ONE

To date I have been charged a week's fee for a half week, and I am on the border line of getting two weeks' parking for the price of one. Apart from my own personal crookedness of trying to bilk the local authority, I am all for this system. A few municipal car parks around the island, with a charge of a nickel or a dime a day would bring more business to merchants than a restriction on parking time or an exorbitant charge for the use of the streets.

Incidentally, to the best of my knowledge, there is no restriction on tying up a horse. My ability in this direction is such that next time I see Vancouver Island I shall be leading one in the sure knowledge that I can park it, even if I have to push it.

stricken where I was. I didn't know what I was doing for a minute."

Mr. Harvey asked then, "You didn't know what you were doing for a minute, you were in a dazed condition."

"Yes," replied Sowash. "I sat in the boat for perhaps two or three minutes, a very short time. Baker

came to the stern and said, 'Get up on board here and see if you can start the engine.' I don't know anything about mechanics, but I didn't say anything about it. I asked him where the engine room was. He said it was in the middle of the boat."

Sowash went to the middle of the

boat to look for the engine room, he said, and saw Morris taking the tarpaulin from one of the hatches. Baker got in the rowboat and rowed away. As Sowash stepped towards the engine room hatchway, he turned to Morris and said, "For Christ's sake, what happened?" (To be continued)

## SACRED TREE SCARED AWAY WITCHES FROM CELTIC HOMES

(By D. Leedham Hobbs)

At this time of year, the Mountain Ash or Rowan is a lovely sight with its shimmering leaves and bunches of scarlet berries. No wonder that our early ancestors considered it a sacred tree possessed of magic properties. Because of this rare memory, one finds all through Scotland and Wales—early homes of the Celts—Mountain Ash trees planted round dwellings and at the

entrances to graveyards. The Rowan was also known as the "Quickener or Life tree"; the witcher or witchwood, which had great properties in keeping away the evil eye of witches! So powerful was it that little crosses made of Rowan twigs used to be tied to the tails of cattle. The twigs must not be cut with a knife—again a symbol of evil.

In Ireland, circa 500 B.C., the

Tuatha de Danan, or earliest recorded settlers, who, legend tells, came from Phoenicia on great ships used the berries of the Quickener tree as their food, and as the centuries went on, they and their food became sacred.

This little poem sums it up:  
"They thought me once a magic tree  
Of wondrous lucky charm,  
And at the door they planted me,  
To keep the house from harm."

How desperately afraid of witches they were in the far-off days! But still whenever I see a lovely Mountain Ash with its scarlet burden of berries I can't help thinking of all they meant years ago.

The ancient Celts, more especially the Druids, who were teachers and philosophers as well as priests, used a mystical language among themselves known as "Bethuisnion". This name was made up of Beth (the birch tree), Luls (the Rowan) and Nion (the forest ash). From the branches, twigs and leaves of all sorts of trees strung together, messages were conveyed. Leaves, either natural or in laminated gold, strung together, were sent from Druid to Druid, using the priestly language.

### RECIPE

From my mother's Scottish cookery book I find the following. Any one who has a Mountain Ash tree might try making the recipe: "Gather the berries when ripe, cover with water and boil till soft. Strain, and add one pound of sugar to one pint of juice, boil for half an hour, skimming carefully, then pour into jars. Apple juice may be added in like proportion."

## RABBITS—FOOD FOR THOUGHT!

An announcement from the P.N.E. last week told of the awards won by the Greentree Rabbitry, Royal Oak, for the entries in the rabbit section of the exhibition. Following that announcement, a Vancouver radio station broadcast an interview with the secretary of the rabbit breeders' association, Harold Clarke.

Mr. Clark stated that never before had he seen such a splendid showing of rabbits. He was enthusiastic about the possibilities of money-making (in a modest way) in rabbit meat.

California uses 250,000 eight-weeks-and-over rabbits every month and an eight-week-old rabbit should reach four to five pounds . . . that is an enormous weight of meat per month.

A doe should produce 32 a year to be profitable, so that his advice was to weed out the non-productive.

Great interest had been shown this year in the rabbit section of the P.N.E. and the children's day had proved most successful.

Family size has little relationship to milk consumption in higher income groups.

Dislike of milk is the major reason given for not drinking it.

Perhaps the huge vitamin "C" content was one of the reasons why the tree was known as the "Quickener"—the life-giving fruit being a sort of ambrosia of the Gods.

## PLEASE, NO MORE PAPERS

The Sidney Boy Scouts have requested that no more papers and magazines be left at the Guide and Scout hall on Bazan Ave. The company which previously bought these papers do not require them now and unless arrangements can be made elsewhere, the Scouts have no way to dispose of them.

### GOOD TEA GROWS HIGH

The best teas come from bushes grown on high mountain slopes. In the hot lowlands the bushes grow so fast that the leaves become woody and do not develop so fine a flavor.

## ANTARCTICA'S CHALLENGE TO EXPLORERS

We are quickly getting to know more about the Arctic regions, but Antarctica, the southern polar region, is a much tougher proposition for explorers and prospectors. It has a land mass as big as Europe and Australia put together, and lies entirely under ice. Of its 14,000 miles of coast only 4,000 miles are free from ice, which in places forms enormous unbroken cliffs facing the sea, hundreds of feet high. A great

### BEAUTIFUL SHORELINE

Fundy National Park, New Brunswick, on the shores of the Bay of Fundy, has eight miles of shoreline, carved into countless coves and inlets.

## POWER OFF

### SAANICH PENINSULA

In order to do maintenance work on high voltage transformers, it will be necessary to interrupt electric service on the Saanich Peninsula, on

**Donald Archer is really in tune with the times**

High fidelity sound expert Donald Archer says:

"On older phonographs and records you could hear only part of the sound range. Today's 'hi-fi' systems reproduce the lowest and highest notes of the musical scale with startling realism. This modern development has meant great progress in the recording field."

As a family man, Mr. Archer also benefits by continuous progress in another field . . . life insurance. Policies are more flexible and more adaptable to the needs of individual families.

Today, you can obtain life insurance policies that provide not only basic protection but ready funds for emergencies; also policies for education, for safeguarding your home, for protecting your business and for ensuring your retirement income.

In these and other ways, the life insurance companies in Canada have progressed with the times . . . meeting the needs of people in all walks of life!

**THE LIFE INSURANCE COMPANIES IN CANADA**

The amount of life insurance owned by Canadians has doubled in the last seven years.

L-36LD
